

US Again Backs Illegal Jewish Entity Terror against Muslims of Palestine

This month the illegal Jewish entity again unleashed a campaign of terror against the Muslims of Palestine, killing 44 including 16 children. According to reporting by *Reuters*:

The United States fully supported Israel's right to defend itself, the State Department said on Saturday, and it urged all sides to avoid further escalation as Israeli air strikes pounded Gaza while the militant Islamic Jihad group fired rockets into Israel.

The *Reuters* report also noted 'no reports of serious casualties', let alone deaths, on the Jewish side. In an opinion piece on this at *Aljazeera*:

In response to this month's bloodbath in Gaza, US President Joe Biden reaffirmed his "support for Israel's security... including its right to defend itself against attack" – which is neither a surprising pronouncement from the man who recently enthusiastically self-defined as a "Zionist" nor a departure from the tired rhetoric of the US establishment, which holds that Israel is permanently and indubitably acting in self-defence...

The Western corporate media have also done their fair share to ensure the propagation of a pro-Israel narrative in lieu of fact – and rarely is there an Israeli military massacre of Palestinian civilians that is not cast as fundamentally the Palestinians' fault or the result of "clashes" between the two sides. Sure enough, both CNN and Reuters went with "clashes" in their write ups of the truce that went into effect on the night of August 7 – as though this were a remotely suitable descriptor for a situation in which 44 people had died on one side and none had died on the other...

The Washington Post saw Operation Breaking Dawn as an example of "intense cross-border violence" – a similar line was taken by the Associated Press – while the New York Times' coverage included nefariously ambiguous reports like: "Israel and militants trade fire as death toll reaches 24".

The writer of the *Aljazeera* opinion piece has expressed the most that can be said in mainstream media, pointing to a type of hypocrisy on the part of the West over ignoring the atrocities committed by the illegal entity. However, the mainstream media is unable to go further to explain the truth of the situation, which is that the crimes of the illegal entity are deliberately conducted on behalf of the West itself, not simply ignored by the West. It is the West that has implanted this foreign presence into the heart of Muslim land in order to assist with extending Western imperialism deep into the Muslim Ummah. The West knows the weakness of the Jews; they are in this age amongst the weakest of humanity. Therefore, like a soft overindulged spoilt child, the West encourages the illegal entity to behave as badly as possible while restraining its opponents from reciprocation of any sort. The illegal entity could not survive one day if the governments of the surrounding areas did not prevent Muslims from attacking it.

The mainstream media is also unable to expose the falsehood of the Westphalian nation-state delusion. Man's affairs are not determined by around 200 independent national governments. In actual fact only a handful of great powers, with the US at their head, make most of the major decisions in the world today. The fabrication of independent nation states has prevented the proper attribution of blame to the great powers who are in reality responsible for the evil in the world today. If these powers wish to determine the lives of others, then they should do so by expanding their territories to openly include others within their countries. But by keeping them in separate countries, they continue to exploit them while denying responsibility for their actions.

The proper solution to man's present crises will not come from the West. With the permission of Allah (swt), the Muslim Ummah shall soon arise and re-establish **the Islamic Khilafah (Caliphate) State on the method of the Prophet (saw)** that shall liberate all her occupied territories, reunify Muslim lands, implement the Islamic sharia, restore the Islamic way of life, and carry the light of Islam to the entire world. The **Khilafah State** shall, almost

from its inception, join the ranks of the great powers on account of its great population, immense size, vast resources, unparalleled geography and unique Islamic ideology. The **Khilafah State** shall unwind the Western-imposed Westphalian order and return the world to the peace and prosperity that existed before Western imperialism, in the thousand years that the **Khilafah State** was previously the leading state in the world.

US Bribing Desperate Europe over Deal with Iran

According to *Politico* in an article on Friday headlined, ‘*EU proposes lifting pressure on Iran’s Revolutionary Guards to revive nuclear deal*’:

While the European proposal, brokered by EU foreign policy chief Josep Borrell in close coordination with U.S. officials, would not lift the IRGC sanctions per se, it would severely limit their effectiveness.

Under the proposed text, Europeans and other non-Americans could conduct business with Iranian entities engaged in “transactions” with the IRGC without fear of triggering U.S. sanctions, as is currently the case, provided their primary business partner was not on a U.S. sanctions registry.

“Non-U.S. persons doing business with Iranian persons that are not on the [U.S. sanctions list] will not be exposed to sanctions merely as a result of those Iranian persons engaging in separate transactions involving Iranian persons on the [U.S. sanctions list] (including Iran’s Islamic Revolutionary Guard Corps (IRGC), its officials, or its subsidiaries or affiliates),” the proposal reads.

This wording would allow the Europeans to do business very widely across Iran, where commercial interaction with the IRGC is almost inevitable, particularly in terms of trade. One diplomat following the dossier noted the wording also suggests that IRGC entities could seek to evade U.S. sanctions simply by conducting their business via surrogates and shell companies that create a degree of separation, rendering the U.S. restrictions toothless for non-American enterprises and individuals.

Under President Joe Biden, America is moving quickly to reposition itself against China, which America expects to be the paramount direct threat to the territory of the United States in the 21st Century. In order to do so, America needs to extricate itself from its deep entanglement in the Middle East by constructing a resilient international architecture that can provide a measure of stability while keeping the countries of the region under American control. In other words, America is in the process of consolidating its Middle East empire, under the cover of Middle East nation-state independence. Iran is one critical pillar in this scheme. The Iranian nuclear deal is not primarily about Iran’s nuclear programme but is the means for America to design Iran’s role in its imperial project. However, in order to ensure that this empire-building is long-lasting, America is seeking European compliance also. Energy-dependent Europe is of course suffering deeply at this time because of supply issues due to the war with Russia. America thus seeks to tempt Europe with Iranian oil.

However, with the permission of Allah (swt) America’s imperial project shall fail. The Muslim Ummah will use the opportunity of US distraction and reduced engagement to overthrow the agent class of rulers that presently governs their affairs on behalf of the Western powers, replacing them with sincere, capable, indigenous leadership that shall be fully loyal to the Muslim Ummah and her Deen of Islam. Allah (swt) says in the Noble Qur’an: ﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَى لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا وَمَنْ كَفَرَ بَعْدَ ذَلِكَ فَأُولَٰئِكَ هُمُ الْفَاسِقُونَ﴾ **“Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before them and that He will surely establish for them [therein] their religion which He has preferred for them and that He will surely substitute for them, after their fear, security, [for] they worship Me, not associating anything with Me. But whoever disbelieves after that – then those are the defiantly disobedient.”** [An-Nur: 55].
