

American Hegemony on the Muslim World Rests on the Shoulders of the Armies of Muslims

The [Economist Magazine](#) stated on 24 September 2026, “America seems to be stuck in the Middle East. It has no easy way out of its war with Iran. Yet the conflict, however it ends, will in fact mark something quite different: the moment when America pulls back from the region—in the sense that it finally relinquishes its hegemony there. For the first time since the great powers dismembered the Ottoman empire a century ago, the Middle East’s overarching order will no longer be imposed from afar... Arabs have long yearned for a chance to recover lost glory from when they were a beacon of science and learning centuries ago. America’s retrenchment is about to give them a chance.”

Firstly: The Economist Magazine has long-standing ties to British intelligence, counting the notorious double agent Kim Philby as its Middle East correspondent from August 1956, which served as cover for his renewed work for British intelligence. Today, the magazine has strong ties with the Joint Intelligence Committee (JIC) of Britain, carefully spinning its narratives, under the facade of independent journalism. Thus, when Muslims read its pages, they must anchor themselves to direct sense perception and the Shariah Law of Allah (swt).

Secondly: British intelligence is recalibrating after America walks away from Europe, whilst aggressively ending the marginal British influence that remains in the Muslim World. In this article, the magazine is warning the U.S. that it is creating a vacuum that could be filled by what the Muslims had before the Western colonialists worked with traitors amongst the Arabs and Turks to destroy: the Khilafah (Caliphate).

Thirdly: Indeed, from direct sense perception, the Muslims are rising in their desire “to recover lost glory,” although their own armies are what enable the U.S. to maintain its hegemony. The Shariah Law of Allah (swt) obligates the armies to sever ties with all the Western disbelieving states, including the U.S. and Britain, and grant their nussrah (military support) for the establishment of the Khilafah Rashidah (rightly-guided Caliphate).

Demand the End of Infighting Between Afghanistan and Pakistan Through Implementation of the Shariah Law of Allah (swt) and Unification as One Khilafah Rashidah

On 24 September, [the Business Recorder](#) reported that, “Pakistan conducted precision aerial and drone strikes on 10 locations in Afghanistan used for launching and storing drones following an attempted drone incursion from Afghan territory, Minister for Information and Broadcasting Attaullah Tarar said on Thursday.”

Infighting between Muslims is a grave sin. The Messenger of Allah (saw) said, **«إِذَا لَقِيَ الْمُسْلِمَانِ بِسَيفَيْهِمَا، فَأَلْقَايْنِ وَالْمَقْتُولُ فِي النَّارِ»** **“When two Muslims meet with their swords, both the killer and the killed are in the Fire”** (Narrated by Al-Bukhari and Muslim). It was the implementation of Islam and the unification of Muslims under a single Imam that ended infighting. The warriors of Al-Aws and Al-Khazraj abandoned their infighting and desire for revenge for the sake of Allah (swt), fighting in one army against the disbelievers (kuffar) in the Battle of Badr.

Whilst Shariah Law defines Shariah rights and obligations regarding patrilineal male relatives (عصبة asabah), it rejects partisanship (عصبية asabiyyah) based on tribal or nationalistic lineage. For centuries, Muslims of different tribes, races, languages, and lands were unified under one Khaleefah (Caliph) as one state. However, the British colonialists implanted the concept of tribalism and nationalism within the Muslims they ruled, in accordance with their divide-and-rule policy. They drew the nationalistic Durand Line that divides Pakistan from Afghanistan as a booby-trap for continual conflict.

Yet, despite the colonialist plan, not so long ago in the history of peoples and states, the Muslims of Afghanistan and Pakistan fought as one armed force against the disbelievers during the occupation by Soviet Russia. So why can they not do the same today by unifying under one Khaleefah (Caliph) ruling by Shariah Law of Allah (swt), even though the hypocrites and agents of the kuffar (disbelievers) dislike that?

Hizb ut Tahrir calls the warriors of Afghanistan and Pakistan to grant it nussrah (نصرة military support) for the re-establishment of the Khilafah Rashidah (Rightly-Guided Caliphate) on the Method of the Prophethood, so let them respond!

Counter-Terrorism Aims for Regional Dominance of the Hindu State and the Jewish Entity, and Subservience for the Muslim States

On 23 September 2026, [the US State Department](#) stated, “Secretary Rubio met today with Indian External Affairs Minister Jaishankar in New York. The two officials reaffirmed the important role the U.S.-India strategic partnership continues to play in promoting a safe, secure, and prosperous Indo-Pacific.”

Under the banner of counter-terrorism, the United States has reshaped the Muslim World, weakening the Muslim states and strengthening the enemies of the Ummah. The rulers of Muslims restrain the armies of Muslims from countering the terrorism of the Jewish entity and the Hindu State. They have even declared that Jihad in Kashmir is treachery against the Muslims of Kashmir! The rulers of Muslims mobilize the armies against those who threaten the terrorist Jews and Hindus, ensuring their imprisonment and disarmament. Whilst the Muslims are fighting Muslims, the Jews and Hindus incite Muslims against Muslims using terrorist proxies and false-flag attacks, amongst other styles, whilst consolidating their occupation of Muslim Lands.

Yet, the agents of Trump continue to embrace the American concept of counter-terrorism. Thus, they work to surrender our interests to the Western crusaders and hateful Hindu mushrikeen, even though Allah (swt) warned, **﴿مَا يَوَدُّ الَّذِينَ كَفَرُوا مِنْ أَهْلِ الْكِتَابِ وَلَا الْمُشْرِكِينَ أَنْ يُنَزَّلَ عَلَيْكُمْ مِنْ خَيْرٍ مِنْ رَبِّكُمْ وَاللَّهُ يَخْتَصُّ بِرَحْمَتِهِ مَنْ يَشَاءُ وَاللَّهُ ذُو الْفَضْلِ الْعَظِيمِ﴾** **“Neither those who followed earlier revelation who deny the truth, nor the Mushrikeen like to see good bestowed upon you from your Sustainer; but Allah bestows grace upon whom He chooses- for Allah is limitless in His great bounty.”** [Surah Al-Baqara 2:105].

O Armies of the Ummah! Uproot those traitors who embrace the American plan to make the Ummah subordinate to the dominance of murderous Jews and scheming Hindus. It is the Khilafah Rashidah (rightly-guided Caliphate) on the Method of the Prophethood that will counter the terrorism of the American crusaders, the Jews and the Hindu mushrikeen.

Asim Munir Agrees to Buy Kamikaze Drones from the Sons of Trump, Whilst They Assist the Hindu State in Making Anti-Drone Technology

On 17 September 2026, [the Financial Times](#) reported, “A drone maker backed by two sons of US President Donald Trump says it is in negotiations to sell the defence technology to Pakistan as part of a deal to reduce Islamabad’s reliance on China. Powerus, which counts Donald Trump Jr and Eric Trump among its investors, signed a memorandum of understanding with Field Marshal Asim Munir, Pakistan’s de facto leader.”

The ruler of Pakistan, Asim Munir, is making the sons of Trump rich, earning his title of Trump’s favorite field marshal, whilst exposing the military drone infrastructure of Pakistan to Indian countermeasures.

Whilst the sons of Trump supply Pakistan with kamikaze drone technology, they assist the Hindu State in making anti- kamikaze drone technology. The Indian military manufacturer,

Paras Defence and Space Technologies Ltd, notified the National Stock Exchange of India, on 30 June 2026, that “Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform that M/s. Paras Defence and Space Technologies Limited (Paras) has signed an IP License Agreement with Tandem Defense LLC, a Georgia limited liability company, a wholly owned subsidiary of Autonomous Power Corporation, Delaware (Powerus) for Guardians Interceptor Technology.”

The Guardian interceptor is a counter-drone interceptor optimized for one-way attack kamikaze drones, including the HESA Shahed 136 of Iran and other Group 3 Unmanned Aerial Systems (UAS) kamikaze drones. Thus, the Americans are now assisting India with countermeasures for YIHA-III, also known as Sivrisinek (Turkish: Mosquito), which is a Turkish-Pakistani low-cost, high-precision kamikaze drone, developed jointly by Baykar of Türkiye and National Aerospace Science & Technology Park (NASTP) of Pakistan.

O Armed Forces of Pakistan! You swore to protect the country and its people from foreign threats? Have you still not seen enough of the treachery of Asim Munir? Remove the lowly agent of Trump and grant your nussrah (military support) to Hizb ut Tahrir for the establishment of the Khilafah Rashidah (rightly-guided Caliphate).

The Ruler of China Must Stop His Brutal Oppression of the Uyghur Muslims or Await the Qutaibah Bin Muslim of Today

The Uyghur Times has stated that, “It was reported that President Trump will personally greet Xi Jinping at Joint Base Andrews on September 24, 2026... Xi Jinping bears top responsibility for the Chinese government’s systematic repression of Uyghurs.”

Currently, the U.S. tolerates open criticism of the Chinese repression of Muslims to embarrass the ruler of China. The U.S. does so whilst its own oppression of Muslims far exceeds that of China. As for the tyrants of China, their war against Islam in East Turkestan predates the Sino-American conflict by decades.

As for the rulers of Muslims, they hide the crimes of Xi Jinping, so that they can establish Chinese economic colonialism alongside American economic colonialism. They have opened the markets and resources of the Muslims to Chinese companies, and taken on crippling loans based on *riba* (interest) from Chinese banks. They did so even though the Islamic Ummah holds the jugular vein of Chinese industry in its hands, through its control of the world's largest oil reserves and the straits through which Chinese oil tankers must pass.

Ruling by Islam alone will compel the ruler of China to end his tyranny. In *Al-Bidaya wa I-Nihaya* (البداية والنهاية), Ibn Kathir narrated about how the Muslim military commander of the Ummayyad Khilafah, Qutaybah bin Muslim, subjugated the oppressive ancestor of Xi Jinping, *ثم اتفق الحال على أن بعث صحافا من ذهب متسعة ، فيها تراب من أرضه ليطأه قتيبة ، وبعث بجماعة من أولاده وأولاد الملوك ليختم رقابهم ، وبعث بمال جزيل ليبر بيمين قتيبة* “an agreement was reached whereby the Chinese ruler sent large golden platters filled with soil from his land—so that Qutaybah might trample it underfoot—along with a group of his own children and the children of kings and a massive sum of wealth to honor Qutayba’s oath.”

The Muslim World Needs Shariah Siyasa (سياسة), Not Secular Politics

On 19 September [Dawn Newspaper](#) reported that “Senate Opposition Leader Allama Raja Nasir Abbas said only PTI founder Imran Khan had the authority to postpone his party’s countrywide protest planned for September 27.”

The conflict over authority in Pakistan is intensifying between the ruling faction and the opposition faction. However, the Muslims in general are not engaging with either faction, seeing no relief to their misery. It was inevitable that the Muslims would disengage from secular politics as the general awareness about the Deen increased amongst them. Secular

politics is a politics in which the Deen has no say.

However, Shariah siyasah is governing the affairs of Muslims on the basis of Deen. The Messenger of Allah (saw) said, «كَانَتْ بَنُو إِسْرَائِيلَ تَسُوسُهُمُ الْأَنْبِيَاءُ، كُلَّمَا هَلَكَ نَبِيٌّ خَلَفَهُ نَبِيٌّ، وَإِنَّهُ لَا نَبِيَّ بَعْدِي،» “The Prophets (as) governed Bani Israeel; whenever a prophet passed away, another succeeded him. Yet, there is no prophet after me. There will, however, be Khulafaa' who will be numerous.” [Al-Bukhari and Muslim].

Imam An-Nawawi said in his Explanation of Muslim, «كَانَتْ بَنُو إِسْرَائِيلَ تَسُوسُهُمُ الْأَنْبِيَاءُ كُلَّمَا هَلَكَ نَبِيٌّ» His ﷺ saying “**The Prophets (as) governed Bani Israeel; whenever a prophet passed away, another succeeded him**” means that they governed their affairs just as Islamic rulers and Shariah governors take care of the affairs of their subjects. Siyasah is the reformation of matters upon righteousness.”

O Muslims and their political parties and ulema! Leave the field of secular politics empty, and fill the righteous field of Shariah siyasah. Let your opinions regarding the affairs of Muslims be firmly rooted in the Noble Quran and the Prophetic Sunnah. Demand the implementation of the Shariah rulings upon any major event that occurs within the Muslim World. Build a new political medium within which the Khilafah Rashidah (rightly-guided Caliphate) will arise, by the Permission of Allah (swt).

Jihad Against the Disbelievers Prevents Fitnah Between Muslims

On 18 September [the media wing of the armed forces of Pakistan](#) stated, “From 15-17 September 2026, ten khwarij belonging to Indian-sponsored Fitna-Al-Khwarij were killed in multiple engagements in Khyber Pakhtunkhwa Province. While six brave sons of the soil paid the ultimate sacrifice and embraced shahadat.”

It is heartbreaking to see Muslims killing Muslims over the entire Muslim World, in conflicts between Muslim states and within Muslim states, from Sudan to Pakistan.

How can this be when both sides claim to love the Messenger of Allah (saw)?!

As for the claim that the method to establish the Islamic state is raising arms, when the people who gave the Messenger (saw) the Second Pledge of Aqabah sought his permission to fight against the people of Minah, who were Mushriks, he (saw) responded saying,

«لَمْ نُؤْمَرْ بِذَلِكَ» “**We have not been ordered to fight yet.**” The method to establish the Shariah Law is taking nussrah (military support) from the people of military power and prevention, from amongst the armed forces and armed militias within the Muslims.

So, how is it that the armed forces of Muslims fight each other, and the militias fight each other, and the militias fight the armed forces? How?! How is it that the bombs, drones and the missiles of Muslims are used to fight Muslims, and not to strike the attacking disbelievers, from amongst the American crusaders, the Jewish entity and the Hindu State? How?!

O Muslims, demand that the armed forces and armed militias of Muslims adopt a single focus, the granting of nussrah for the establishment of the Khilafah Rashidah (rightly guided Caliphate) and the resumption of Jihad against the disbelievers. This alone is the way to prevent us from burning in the fires of Fitnah, rally all the Muslims around one cause and expose the agents of the disbelievers within the armies and the militias.

So, O Muslims, direct all your armies and militias to grant their nussrah to Hizb ut Tahrir.
