

Bosnian Tricks are being used again in GAZA in the “Safe Haven” Tricks of the Islamic Oppressors

News:

On the 13th of October, Gaza residents were given 48 hours' notice by 'Israel' to leave the north of the region and move to the South before carpet bombing campaigns accelerated. On the 14th of October, the BBC verified that the same routes deemed to be safe exits for civilians were actively targeted in a trick to maximise casualties for Muslims. Social media reports of journalists still on the ground also verified this. The BBC report stated, “it has confirmed women and young children were killed when a strike hit their vehicles as they headed away from northern Gaza. Analysis of images from the scene shows some of those who died were aged between two and five”. UN Chief António Guterres said the call for a mass evacuation was extremely hazardous, and he urged humanitarian access. Over 1,300 people were killed in 'Israel' last weekend when Hamas fighters crossed the border to attack civilians and soldiers. More than 2,200 people have been killed in 'Israel's bombing campaign of Gaza, with families wiped out as entire residential buildings are being levelled with people still inside.

Comment:

The Ummah can recall that in the Bosnian war of 1995, the Muslim Ummah was betrayed by the “peacekeepers” of the world when they were advised to go to UN-appointed “safe havens” during the fall of the town of Srebrenica. However, this deadly advice proved to be a trap to gather the believers together, and the Bosnian Serb enemy forces made a mockery of the international United Nations peacekeeping laws as the officials were unwilling to respond to requests for support in securing the area, as a result. Bosnian Serb forces were free to take advantage of the unarmed Muslims gathered together in one location and carry out systematic mass executions and rape of thousands of civilian men, boys, all without interference from U.N. soldiers who were present and stood idle.

Today, with the exodus to the South of Palestine, we witness exactly the same betrayal; we have the Muslim leaders as idle bystanders witnessing the slaughter of the families in their cars and pedestrians on foot with their blood and bones scattered in the streets. This Ummah has witnessed the mass execution of believers in Iraq, Afghanistan, Syria, Myanmar and Yemen. The game of political words is a game of our lives when the term “safe exit” is used. We must appreciate the patterns of lies and be clear about how the game of diplomacy is a game of lunacy when we put our trust in Liberal, Democratic and Capitalist policies. Today, the janazah is the daily prayer performed multiple times over in the land of Al Aqsa. The code for hate and death will only ever come in the form of peace talks with the enemies of Quran and Sunnah. We must realise the only valid initiative. The Khalifah (ruler) of the Islamic State would never have accepted the existence of the oppression of Palestine for 1 day, let alone over 75 years! The children murdered on the “safe roads” out of the North deserve sincere leadership that does not use their blood to wash the streets of Bilad ash-Sham. The Muslim Ummah must reflect upon the grave accountability of this moment as it will return to us in the next life when we are asked about our witness to humankind and how Islam must indeed be the authority on earth so the truth is not sacrificed in the alter of worship to the idols of Shaytaan.

﴿وَمَنْ أَظْلَمُ مِمَّنِ افْتَرَىٰ عَلَى اللَّهِ كَذِبًا أَوْ كَذَّبَ بِالْحَقِّ لَمَّا جَاءَهُ أَلَيْسَ فِي جَهَنَّمَ مَثْوًى لِّلْكَافِرِينَ﴾

“Who could do greater wrong than someone who invents lies against Allah or denies the truth when it comes to him? Is there not shelter in Hell for the kafirun?” [Ankabut 29:68]
