

Hey, Erdogan, has the Infidels' Hostility towards Islam ever Stopped?!

News:

Turkish President Recep Tayyip Erdogan spoke at the "Great Palestinian Rally", which took place at Istanbul Ataturk Airport to protest against 'Israeli' military actions in the Gaza Strip, TRT Haber reports.

"I thank each and every one of you for championing the Palestinian cause and giving hope to the oppressed of Gaza," he said. He named the West as the main culprit of the military conflict, which acts, in his words, "without getting its own hands dirty," and Israel as "a pawn that will one day be sacrificed."

According to the Turkish leader, those who "shed false tears for those killed in Ukraine" did not express sympathy for those killed in Gaza. "Hey West, I ask you, do you want to reignite the war between the crescent and the cross?" - Erdogan said. (Source: rbc.ru)

Comment:

Let no one be deceived by Erdogan's dexterity in juggling with beautiful words, similar to the skill of the sorcerers who, on the orders of Pharaoh, threw ropes in front of Musa (as) to refute the signs of Allah. But unlike Erdogan, the sorcerers had the intelligence and courage to openly admit the truth. Until the Day of Judgment, they remained an example of sincere faith and perseverance, preferring painful death in submission to Allah, rather than a luxurious life at the throne of a godless tyrant.

Let no one be deceived by Erdogan's loud accusations against the West, led by the pharaoh of our time - the United States. Isn't the Republic of Turkey, led today by Erdogan, their ally and partner? Isn't there an American military base in Turkey? Didn't Türkiye, being a NATO member, participate in the occupation of Afghanistan? And this is something that is obvious to everyone, not counting the insidious role of the Turkish regime in the events in Syria, Libya and other Muslim countries.

Calling "Israel" a pawn, Erdogan is silent that Turkey was one of the first to recognize its formation in the territory of Palestine occupied by Western colonialists. Are there no diplomatic relations and cooperation between Turkey and this occupying entity? Isn't there a free trade agreement between them, covering, among other things, the sphere of weapons and military technologies, with an annual balance of several billion dollars?

Accusing the West of wanting to spark a war "between the crescent and the cross," Erdogan is substituting concepts, wanting to absolve himself of responsibility for the unpunished killings of Muslims in Palestine. But has this war of unbelief with Islam, which is ideological and not interfaith, as admitted by American and European politicians themselves, stopped even for a moment?

Aren't the Western superpowers, led by the United States, at enmity with Muslims, declaring Islam the only threat to their colonial expansion under the slogan of "spreading democracy and protecting human rights"? Are they not at war with Islam, insulting the Messenger of Allah (peace and blessings of Allah be upon him) and burning the Quran, attacking the attire of a Muslim woman, opening their "mosques" to homosexuals, in which harlots are installed as imams? Are they not inventing their own European or American "Islam" that would correspond to their invented doctrine of secularism?

Whose side are you on, O Erdogan? Why, when visiting the grave of the vile criminal Ataturk, do you not spit on it, but, solemnly laying flowers, swear to "properly defend his legacy"? Isn't this "heritage", namely the abolition of Sharia laws to please the infidels (kuffar), and the establishment in their place of the laws of unbelief, not the greatest atrocity against the Islamic Ummah? Why do you accept congratulations from the enemies of Islam on the occasion of the establishment of a secular republic on the ruins of the Caliphate, which, even in the period of greatest weakness, remained an adamant defender of Muslims?

Hey Erdogan! Isn't the blood of the elderly, women and children of Gaza worth more than your tears and angry speeches shaking the air? Why then do the Turkish army and navy hold parades and not rush to their aid? Haven't you heard the Words of Allah (swt): **﴿وَمَا لَكُمْ لَا تُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالْمُسْتَضْعَفِينَ مِنَ الرِّجَالِ وَالنِّسَاءِ وَالْوِلْدَانِ الَّذِينَ يَقُولُونَ رَبَّنَا أَخْرِجْنَا مِنْ هَذِهِ الْقَرْيَةِ الظَّالِمِ أَهْلُهَا وَاجْعَل لَّنَا مِنْ لَدُنْكَ وَلِيًّا وَاجْعَل لَّنَا مِنْ لَدُنْكَ نَصِيرًا﴾** "Why don't you fight in the path of Allah and for the sake of weak men, women and children who say: "Our Lord! Lead us out of this city, whose inhabitants are lawless. Appoint us from Yourself a protector and appoint us from Yourself a helper?" [4:75].
