

The Daughters of the Ummah are Murdered in Plain Sight Whilst the World Listens

News:

As tens of thousands of the citizens of Gaza flee to the south, seeking safety at the Rafah border with Egypt, one story of attempted escape stands out: that of 6-year-old Hind Rajab. She was on her way with other family members to meet her mother when the Kia car they were travelling in was attacked by the Armies of the Jewish entity, and all of the families in the vehicle were killed. She was the only survivor. She had the presence of mind to use a mobile to call for help, and the Red Crescent vehicle that tried to rescue her was destroyed entirely, killing all the paramedics. The world knew for two days where she was sitting with the dead bodies, but no one rescued her. She was found dead after days, and her last call ended with the sound of gunfire.

Comment:

Hind's mother, Wissam, was interviewed. She was waiting at a hospital for news of her daughter. She was holding the little pink bag as Hind had been practicing her handwriting. She is reported as saying,

"For every person who heard my voice and my daughter's pleading voice, yet did not rescue her, I will question them before God on the Day of Judgement," she told the BBC. "Netanyahu, Biden, and all those who collaborated against us, against Gaza and its people, I pray against them from the depths of my heart. How many more mothers are you waiting to feel this pain? How many more children do you want to get killed?" she said.

The sickening reality that the daughter of this Ummah was under attack, survived and had the presence of mind to use a phone to call for help and was still ignored is simply unimaginable!

When one Muslim woman was attacked by Jews in the time of the Khalifah Mutasem, he sent an entire army to rescue her honour, yet we have the entire body of Muslim leaders holding the armies back from their duty to Allah (swt). Surely they are criminals along with the murderers. We can never accept this as normal as 4 months have passed with Ramadan approaching we must reflect upon this in the month of victory. We have traitors and slaves of the West as leaders, and the killing of the Muslims trapped in a corner of Rafah is only accelerating with starvation as the slow death method is happening live in our mobile news feeds. We must continue the call not to emotions and tears, but the establishment of the Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood as Allah (swt) decreed to liberate our children from suffering that is not theirs to bear.

﴿أَمَّنْ يُجِيبُ الْمُضْطَرَّ إِذَا دَعَاهُ وَيَكْشِفُ السُّوءَ وَيَجْعَلُكُمْ خُلَفَاءَ الْأَرْضِ أَلَيْسَ اللَّهُ قَلِيلًا مَا تَذَكَّرُونَ﴾

“Or, Who listens to the (soul) distressed when it calls on Him, and Who relieves its suffering, and makes you (mankind) inheritors of the earth? (Can there be another) god besides Allah? Little it is that ye heed!” [An-Naml: 62]
