

## Traitorous Rulers Shed Crocodile Tears in Front of the Public and Continue their Cooperation with the Zionist Entity

### News:

In December, compared to the previous month, exports to 'Israel' increased by 34.5 per cent to 429 million dollars. Exports, which fell 18.5 per cent in January, increased by 20.7 per cent in February and reached 422.2 million dollars. In 2023, Turkey's exports to 'Israel' were worth \$5.43 billion. On the other hand, according to the records of the "Israeli" Ministry of Agriculture, Turkey, along with Jordan, have been the first two countries to send the most vegetables and fruits to 'Israel' since 7 October. ### Comment:

While the traitorous and collaborative rulers in Islamic countries shed crocodile tears in front of the public, on the other hand, they continue to give the kiss of life and provide life dynamics to the Zionist entity. While Turkey and Jordan are sending food and foodstuffs with their ships and planes to keep the Zionist murderer and butcher entity alive and to ensure its survival, Egypt is trying hard to reach a ceasefire between the Jewish entity and Hamas in order to save the monster Jewish entity from the predicament and the deadlock it has fallen into, and to prevent a possible Muslim apocalypse at a time like Ramadan, when the feelings of Muslims are at their peak. This shows that the tears shed by the puppet rulers in the Islamic countries for the massacre of Muslims in Gaza and Palestine, and the rallies and demonstrations they organise are all lies and aimed at deceiving the public opinion.

Their so-called "efforts" are not because they care about or value Muslims, but because they fear that this catastrophe will destroy their seats and thrones, and that their regime and system will be buried under the rubble of the Gaza catastrophe. The Turkish Foreign Ministry's warning that *"the world must realise that the atrocities in Gaza are about to become a global catastrophe with repercussions far beyond the region"* is the best evidence of this.

If they had adopted the hadith «لَرَوَالِ الدُّنْيَا أَهْوَنُ عِنْدَ اللَّهِ مِنْ قَتْلِ رَجُلٍ مُسْلِمٍ» ***"The passing of the world is less significant to Allah than the killing of a Muslim."*** as their motto and principle, they would have mobilised their armies rather than providing food, water and vegetables to the Zionist entity, the butcher and murderer of Muslims, and would have buried the Jewish entity seven layers underground in the second Ayn Goliath. If they claim that this is impossible due to their weak minds, they should at least cut all diplomatic and commercial relations with the Jewish entity. But we see that they have either increased or maintained their trade with the Jewish entity. The fact that Erdogan, who calls on the Ummah to embargo the goods of the Jewish entity through the AKP municipalities, provides life dynamics and vitality to the Zionist entity that massacres the Ummah reveals the extent of his betrayal against Muslims in

general and the Palestinian people in particular. Providing water and food to the murderer, helping the murder of the people of the religion he claims to be a member of, shows that he has sold his religion and his Ummah for the sake of the world for the interests of his master America and to protect the perpetuity of the Jewish entity, and that he is completely in captivity and hired puppet of the USA.

Are KAAN, AKINCI, SİHA, BAYRAKTAR, TCG ANADOLU, ALTAY and other defence and security weapons produced only for election propaganda and public visits? O Erdoğan! What are these weapons you boast of for? Are they there to fill your pockets or to protect your power?

In their current situation, Erdogan and other rulers in the Islamic world cannot liberate the occupied Islamic lands, especially Palestine, because they are US and British agents. They cannot be a remedy for Muslims and a cure for their troubles. The Jewish entity, which is the Tatars and Crusaders of today, needs commanders and rulers like Saladin, Baybars and Qutuz, not rulers and commanders like Erdogan, Sisi, King Abdullah, who lack will and whose strings are in the hands of others. And such commanders cannot be raised in Western secular systems. The fact that not a single such commander has been raised in the century since the Khilafah was destroyed is the best proof of this. Therefore, this kind of commanders and leaders can only be raised in the Khilafah Rashidah. The existence of the Jewish entity is related to the absence of the Khilafah, and its absence is related to the existence of the Khilafah. Therefore, when the Khilafah is established, the Jewish entity will disappear. For this reason, Muslims should demand nusrah from the armies to establish the Khilafah Rashidah in the days approaching Ramadan, when the Muslim armies are also experiencing an emotional atmosphere.
