

The Jewish State is Preparing to Annihilate Rafah Amidst Sinful Global Inaction, Whilst the Armies of Muslims Sit in Their Barracks, Restrained from Mobilization

(Translated)

News:

The Jewish state media reported the Jews' preparations to send forces to the city of Rafah in the Gaza Strip. The Head of the Arabic Media Desk for the Jewish army, Captain Ella Waweya, confirmed this, with the Arabic Alhurra Channel. She added the Jews were waiting for the "political green light" from the United States, amongst other countries. The awaited green light is for storming all the strongholds of the Hamas movement, which is classified as "terrorist." Speaking to Alhurra, Captain Ella confirmed that "the Israeli forces are currently fully prepared to enter all the areas where the Hamas brigades are present, in order to dismantle them." In response to a question regarding what was reported by the Jewish entity's media regarding an impending military operation in Rafah, Ella said, "In order to dismantle Hamas, the 'Israeli' army will reach all sites. However, we are waiting for the political decision and the green light. At that time, we will move with full force." She pointed out that "the 'Israeli' army is prepared for all eventualities and scenarios. After any decision to enter, we will implement it immediately in a specific area. We are prepared for that." The widely circulated newspaper "Israel Hayom" quoted a decision by the Jewish state, after the failure of ceasefire talks with Hamas. The decision is that the operation to invade Rafah, which was postponed for several weeks due to disagreements with Washington, will take place "very soon." [\[Israel Hayom\]](#)

Netanyahu's government claims that Rafah has four full combat battalions affiliated with Hamas, and claims that those battalions received reinforcements from thousands of the movement's militants withdrawing from other areas.

Comment:

There is global anticipation of the criminal Jewish state's invasion of the city of Rafah, the southern city located on the Egyptian border. Rafah has become the last refuge for about 1.5 million Muslims, most of whom were displaced from other areas in the Gaza Strip, fleeing during the war, that has been going on for more than 200 days. The city now awaits the Jewish state carrying out massacres, exceeding the cruel and horrific massacres in the north and center of the Gaza Strip. After preparing the international community to accept more crimes, the Jewish state, supported by the kafir West, led by America, is preparing to invade the city, in a massacre that is believed to become the most horrific so far. This is due to the high population density in Rafah. The cowardly Jewish army is resorting to a scorched earth policy, using white phosphorus dropped from planes, rocket launchers, tanks, and deadly, guided

drones. This is all to confront defenseless civilians, as well as resistance elements equipped with simple weaponry.

This global anticipation, including the anticipation of the Islamic world, is similar to the anticipation of spectators at football matches. It is as if what people are anticipating is an event that does not concern them, or has no relation with them. It is as if it is taking place in a galaxy far away. This is amidst the mobilization of the agent regimes in the Islamic world to silence any condemnation, or mobilization, arising from the oppressed Islamic peoples. This is also amidst the Islamic armies being restrained from mobilizing to support their people in the Gaza Strip, and liberate the blessed Al-Masjid Al-Aqsa.

It has become known to all attentive observers, even non-Muslims, that there is no way to stop the massacres taking place in Gaza, except with the strength of the Muslim armies, both near and far from the Gaza Strip. It is also clear that the Arab and Muslim rulers are the rope that provides the Jewish entity with the means of existence and dominance over Islam and the Muslims. This is to the point that it has become superfluous to even say that the real enemies of the people of Gaza, and Muslims in general, are the agent regimes existing in the Islamic world. These agent regimes represent the West and the Jews in Muslim countries. The sincere people in the Ummah, led by the sincere in the Muslim armies, must overthrow these regimes. They must seize the necks of these agent rulers, and establish the Second Khilafah Rashidah (Rightly Guided Caliphate) on the Method of Prophethood. Any activism other than this direction is a waste of time. It only enables the Jews to carry out more massacres and expansion in the region.

Allah (swt) said, ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ أَتَأْتِلُكُمْ إِلَى الْأَرْضِ أَرْضِيكُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ * إِلَّا تَتَفَرَّغُوا يُعَذِّبُكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلْ قَوْمًا غَيْرَكُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ﴾ “O believers! What is the matter with you that when you are asked to march forth in the cause of Allah, you cling firmly to your land? Do you prefer the life of this world over the Hereafter? The enjoyment of this worldly life is insignificant compared to that of the Hereafter. (38) If you do not mobilize, Allah will punish you severely and replace you with a people other than you. You do not harm Allah in the least. Allah alone is Dominant over everything.” [TMQ Surah At-Tawba 9:38-39].
