

Muslim Women and Children Starve when the Authority of Islam is not on the Land Allah (swt)

News:

Images of the Jewish entity hijacking aid trucks and destroying the food at the Rafah border have circulated all over social media. The aid coming into every location by land and sea are all blocked as the full control of the area is in the hands of the IDF. As the oppression of the Muslims in Gaza enters the 8 month, deaths from starvation have risen, and it has had a catastrophic impact on the survival of pregnant women, the elderly and infants in dire need of food at their most sensitive growth period in their lives.

Comment:

The World Health Organisation speaks of a lethal combination of hunger and disease ravaging the children and women now trapped in Rafah on the Egyptian border. All access to medical and food supplies is totally controlled by the enemies of the believers, both internally and outside collaborators in the form of the Muslim leaders. The Sisi regime has already sold land to multi-millionaire housing developers in preparation to lock the remaining Palestinians into a concrete ghetto where they will be prisoners of another oppressor. Indeed, Sisi allowed the soldiers on the Rafah border to ignore the cries of the hungry children as they can be seen begging to be allowed to the other side. ﴿وَسَيَعْلَمُ الَّذِينَ ظَلَمُوا أَيَّ مُنْقَلَبٍ يَنْقَلِبُونَ﴾ **“And the wrongdoers will soon know at what final place they will end up”** [Ash-Shu‘arā:227]

It is clear that when the control of Muslim affairs is in the hands of the enemies of Islam, we can only expect betrayal and humiliation. Children are literally eating the rubbish in the streets! What shameful history is being written in the records of the Day of Judgement; Allah (swt) speaks of those that side with the oppressors.

This is a critical time for all believers to side with the Haq (Truth) and ensure they work against the tyranny of Kufr rule. It is only the Khilafah (Caliphate) under the leadership of the righteous caliph (Khalifah) that will make sure that there is complete removal of all barriers to the rights of the oppressed, even the non-Muslims will be liberated. In this way, the world will see how fake liberal democratic ideas are but a tool of evil. No charity, money amount or protest globally can substitute for the command of Allah (swt) to have the rule of Islam implemented at the government levels across the world. It is this and only this that will remove the starvation and killing of the believers now and forever.
