

European Countries Reward the Jewish Entity for its Crimes by Recognizing a Palestinian Entity, that Protects the Entity from the Ummah's Wrath and Its Avenging of Its Martyrs

News:

Al-Jazeera English reported on 22 May 2024, that, "The leaders of Norway, Ireland and Spain have said their countries will formally recognise Palestine as a state next week for the sake of "peace in the Middle East," prompting "Israel" to immediately recall its envoys. Norway's Prime Minister Jonas Gahr Store said on Wednesday that a two-state solution was in 'Israel's' best interest and the recognition of Palestinian statehood would come as of May 28.... 'Israel' immediately announced it was recalling its envoys to Ireland and Norway for "urgent consultations." "Today, I am sending a sharp message to Ireland and Norway: 'Israel' will not go over this in silence," Foreign Minister Israel Katz said in a statement, adding that he planned to do the same with the Spanish ambassador... Hussein al-Sheikh, the secretary-general of the executive committee of the Palestinian Liberation Organization (PLO), posted on X: "Historical moments in which the free world triumphs for truth and justice after long decades of Palestinian national struggle, suffering, pain, occupation, racism, murder, oppression, abuse and destruction to which the people of Palestine were subjected." Comment:

The massacres of ethnic cleansing by the Jewish state in the Gaza Strip, as well as its persecution of activists in the West Bank, were broadcast on television around the clock. They were broadcast amidst international silence, inaction and complicity. This all prompted the people of the world to carry out protest marches and demonstrations, denouncing the massacres, and demanding the liberation of Palestine, whilst raising the slogan "From the River to the Sea." After the massacres continued for more than seven months, politicians all over the world, led by American politicians, realized that they had all become accused of complicity in these crimes. The people would hold them accountable, and had already begun to hold them accountable, for their alliance. No sooner had any Western official stopped speaking to an audience anywhere, someone from the audience would rise up against him, to hold him accountable. They would shame him for his complicity with the criminal Jewish entity, and his betrayal of the people of Gaza specifically, and the people of Palestine generally. Therefore, world leaders were forced to put an end to this deterioration in their credibility, as well as the weakening of people's confidence in the principles that the West advocates, such as freedom, human rights, equality, women's and children's rights, and even animal rights and the preservation of nature.

The announcement by these three European countries, being among the countries that orbit the United States, is nothing more than an American initiative, or came after a green light from Washington. It is an attempt to treat the fall of Western civilization. At the same time, it is to exploit the events to present recognition as if it were a victory for the people of Palestine and Western values. However, the truth is completely different.

Before this “recognition” was the recognition of the Palestinian state stipulated in the Oslo Accords, which was signed in Norway itself, thirty years ago. It is a recognition of the “right” of the Jewish entity over more than 80 percent of the land of Palestine. The recognition of the so-called Palestinian state is in fact an affirmation of the “right” of the Jews to the Blessed Land of Palestine. The recognition hammers the last nail into the coffin of the Palestinian issue globally. That is why the Prime Minister of Norway, Jonas Gahr Store, was right when he said that a two-state solution was in “Israel’s” best interest, adding, “There cannot be peace in the Middle East if there is no recognition.”

The role of the Palestinian Authority and the Palestinian movements that follow in its footsteps, both nationalist and Islamic, is an extension of the role of the rulers of the Arab and Muslims. It is the role of conspiring to liquidate the Palestinian cause and consolidate the Jewish state in the Blessed Land of Palestine. It is presenting the two-state solution project as a victory for the people of Palestine and Gaza. How vast is this conspiracy! America is able to implement its project in Palestine, and exploit it as an electoral card in favor of Biden, whilst the Jews pretend to completely reject this project. This is while the two-state solution is paraded and presented as a triumphant victory for Palestine. It is as if the martyrdom and wounding of tens of thousands of Muslims, over the past eight decades, was all to achieve this alleged “victory.” Indeed, we live in a time of tribulation and sedition. Only rational people can comprehend the extent of this betrayal and deception.

The talk of America, and those loyal to it, about what comes after Gaza and Rafah, is talk about a settlement that leads to the imposition of the two-state project on those charged with responsibility over the issue, the Muslims. This is whether the Jews pretend to reject it, or truly reject it, due to their filthy and imbecilic nature. However, the Ummah’s plan after Gaza and Rafah must be to affirm its right over the entire blessed land of Palestine. The Ummah must avenge the blood of the martyrs, as well as the sanctities and honors that were violated by the Jews. This is after the Ummah, with its political and military leadership, failed the people of Gaza, as they were slaughtered mercilessly. The Ummah cannot accept, or even debate, America’s conspiratorial project over the Blessed Land. The blood of the people of Palestine must be a fire that burns all those who failed them, from amongst the rulers and military commanders. This is so the Ummah, and the loyal people in its armies, revolt against these rulers and replace them with the Khaleefah (Caliph) who unifies them and leads their armies to fulfill the glad tidings of the Messenger of Allah (saw). He (saw) said, «نَقَاتِلُونَ الْيَهُودَ حَتَّى يَخْتَبِي أَحَدُهُمْ وَرَاءَ الْحَجَرِ فَيَقُولُ يَا عَبْدَ اللَّهِ هَذَا يَهُودِيٌّ وَرَأَيْتَ فَاقْتُلْهُ» **“You are to fight with the Jews until some of them will hide behind stones. The stones will betray them saying, ‘O ‘Abdullah! There is a Jew hiding behind me; so kill him.’”** [Sahih Bukhari and Muslim]
