

The Rulers of Pakistan Keep Themselves Away from Accountability

News:

On 21 August 2024, Dawn newspaper reported, "According to a statement issued by state broadcaster PTV on social media platform X, the army chief said, "It is the responsibility of the state to keep the public away from the implications of social media-induced hysteria and fitna." Comment:

In reality the rulers are keeping themselves away from any accountability, even if it were by a single tweet. As anger against the ruler of Pakistan rises, the rulers of Pakistan have started to throttle the internet and restrict social media platform. Why should the Muslims fall silent? The Muslims are raising legitimate grievances, which are neither Fitna nor hysteria.

As for the rulers of Pakistan, they are contravening the Shariah rulings in all spheres of life. The rulers are implementing a capitalist system, instead of ruling by all that Allah (swt) has revealed. They are submitting to harmful colonialist institutions like the International Monetary Fund, the World Bank, and the United Nations. They are allies of the colonialist America, which is the architect of chaos from Central America, through to Gaza and Iraq and onto Vietnam.

As agents of America, when it comes to fighting India to liberate Occupied Kashmir, the rulers of Pakistan merely pay lip service, and even agree to ceasefire on the Line of Control. When the Islamic Ummah demands for mobilization of the armies to liberate Al-Aqsa, they shed crocodile tears and give spineless responses.

As agents of America, the rulers of Pakistan have trapped our military in a war in the tribal areas, which the colonialists want us to remain engaged in. Instead of unifying our armed forces with our mujahideen to stop the ongoing genocide in Gaza, our military is weakened by fighting Muslims on the Western border. This also gives India a free hand to focus its attention against China and the Muslims.

Instead of unifying the Ummah and defending the sanctity of Muslim Lands, these rulers prioritize the interests of colonialist powers. Allah (swt) said in the Quran: **يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْكَافِرِينَ أَوْلِيَاءَ مِنْ دُونِ الْمُؤْمِنِينَ ۚ أَلَتُرِيدُونَ أَنْ تَجْعَلُوا لِلَّهِ عَلَيْكُمْ سُلْطَانًا مُبِينًا** "O you who have believed, do not take the disbelievers as allies instead of the believers. Do you wish to give Allah against yourselves a clear case?" [Quran 4:144].

To end the treachery of the rulers, we must re-establish the Khilafah Rashidah (rightly guided Caliphate), which will address the root causes of our struggles. The Khilafah Rashidah will put an end to kufr, by ensuring that our societies are governed by the laws revealed by Allah (swt). The Khilafah will erase the artificial nationalist borders that have divided the Ummah. Under the Khilafah, the Muslim World will reclaim what rightfully belongs to us, including Gaza and Kashmir.

The world stage is prepared, and the time has come for Muslims to rise and assume their rightful place as leaders of humankind. Allah (swt) said, **كُنْتُمْ خَيْرَ أُمَّةٍ أُخْرِجَتْ لِلنَّاسِ تَأْمُرُونَ بِالْمَعْرُوفِ وَتَنْهَوْنَ عَنِ الْمُنْكَرِ وَتُؤْمِنُونَ بِاللَّهِ** "You are the best nation produced [as an example] for mankind. You enjoin what is right and forbid what is wrong and believe in Allah." [TMQ Surah Aali Imran 3:110]. The Khilafah is not just a proven shield for Islam and Muslims, its establishment is an obligation (fard). Let us strive to fulfill this obligation and work towards the re-establishment of the Khilafah, which will restore the honor and unity of the Islamic Ummah.
