

Let the Rulers of Pakistan Know that We Will Never Accept Confidence Building Measures with the Jewish Entity

News:

The Daily Times reported on 25 August 2024, "In a statement issued by his office, Sharif said the latest UN report was "horrifying" and fresh evidence of the 'Israeli' crime of the "genocide" of the oppressed Palestinian people. "The United Nations report is telling that the Palestinian children are the biggest target of 'Israel'" the prime minister said. "It is clearly seen that 'Israel' is involved in mass slaughter of the Palestinians." [dailytimes.com.pk]

Comment:

The entire Islamic Ummah today is demanding the mobilization of the armed forces to support Gaza and end the crimes against the Muslims. However, the rulers of Muslims are deceiving the Ummah through hollow condemnations, whilst they prepare the ground for the surrender of most of Palestine to the Jewish entity, through the American two-state solution.

On 22 August 2024, the Prime Minister met the Secretary-General of the Conference on Interaction and Confidence Building Measures in Asia (CICA), Ambassador Kairat Sarybay, in Islamabad. The Prime Minister reaffirmed support for "promoting peace, security and stability in Asia," through confidence building measures. The rulers of Muslims are using international platforms, which have the Zionist entity as a member state, in order to pave the way for the American plan to surrender most of Palestine to the occupation. Confidence building measures are not new for the Muslims of Pakistan. They were first introduced by the dictator General Musharraf, to implement American regional plan of surrendering Occupied Kashmir to India. Then in August 2019 the Bajwa-Imran regime surrendered Occupied Kashmir to India, and declared Jihad against India as a betrayal of Muslims. India did not reduce its hostility against Muslims, instead it increased its war on Islam. The confidence building measures only strengthen our enemies, giving them more confidence to harm us, undermining our security.

O Muslims in general, and their Islamic organizations and ulema in particular! Let us not be deceived by the tactics of the US and its agents in the Muslim World, including Pakistan. We must expose the rulers for their confidence building measures with the enemies of Islam. We must demand the withdrawal of Pakistan from all international pacts with the warring enemies of Muslims. We must remain steadfast in our call for the immediate mobilization of the armed forces of Muslims. The armed forces of Pakistan, Egypt and Turkey, individually or collectively, can liberate all of Palestine within the part of a day. We must meet our friends and family in the armed forces. We must demand their mobilization to liberate Al-Masjid Al-Aqsa, and their removal of anyone who stands in their way.

O People of Power and Protection in Pakistan's Armed Forces! Your medals and ranks will not save you from the Wrath of Allah (swt). It is long enough now. Account yourselves before you are accounted by Allah on the Day of Judgement. The rulers of Pakistan have sided with United States and its forward military base in the heart of the Ummah, the Jewish entity. Respond to the call of your relatives and your friends. Respond to the call of Allah (swt) and His Messenger (saw). Remove the treacherous rulers of Muslims. Grant Nussrah for the establishment of Khilafah Rashidah, so that a Khaleefah Rashid leads you in Jihad to liberate the occupied lands of Muslims.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾

"O you who believe! Respond to Allah and to the Messenger when he calls you to that which gives you life..." [TMQ Surah Al-Anfal 8:24]
