

Under American Sponsorship and Management: Iran and the Jewish Entity are United in Destroying the Islamic World

(Translated)

News:

The British newspaper The Times revealed that the Jewish entity postponed its retaliatory strike against Iran last week due to a leak of potentially sensitive military information from America. "Leak of sensitive document, thought to be an assessment of IDF strike plans, forces a rethink in the response to Tehran's missile attack... The leak revealed 'Israel's' well-advanced plans to respond to a salvo of nearly 200 Iranian ballistic missiles fired against it earlier this month, which was a retaliation by Tehran for 'Israel's' attacks on its Middle Eastern proxy groups... The top-secret document was published on a pro-Iranian Telegram channel last Friday and appeared to be a US assessment of 'Israel's' likely response, based on satellite imagery and other intelligence. In April, 'Israel' responded to a previous barrage of Iranian ballistic missiles, cruise missiles and drones by destroying a radar station outside Isfahan in central Iran... The weapons mentioned in the US leak suggested 'Israel' could have been planning a similar attack. "Rocks" is a long-range air-to-surface missile that can be fired from F-16 or F-35 fighter jets and is made by Rafael, the 'Israeli' defence manufacturer. "Golden Horizon" may refer to Blue Sparrow, an air-launched ballistic missile that has a range of about 1,200 miles, according to 'Israeli' media." [Times]

Comment:

It has become clear that America, and with it the entity of Jews, do not have a limit for the massacres they are perpetrating in Gaza and Lebanon. They have hatred, and desire for revenge, that was not quenched by the rivers of blood flowing in Gaza, for more than a year, and followed by more blood flowing in Lebanon. It has been revealed that there is no answer to the question that has long been asked by various parties "the day after Gaza." It has been found that there was no political project adopted by the US administration, the sponsor of the crime in Gaza, except for the massacres that followed in Lebanon. Thus, the massacres in Lebanon were the answer to the question of post-Gaza. This confirms that there is no plan adopted by America and its protégé Jewish state, except for more murder and more killing, humiliation and subjugation. It seems that this approach to management is consistent with the policy of "creative chaos" adopted by the neoconservative camp of American cowboys. They expect that an arrangement will emerge from the chaos, that satisfies them, and serves their interests.

America's management and coordination of the ongoing farce between Iran and the Jewish entity over theatrical strikes, which do not hurt either side, is intended to give the Jewish entity more time to kill the remaining resistance forces in Gaza and Lebanon. This is in addition to introducing Iran into the political scenario in the Middle East, and using it, with the Jewish entity to manage the region in a way that serves the interests of America alone. The free hand that America grants to the Jewish entity, a month after its killing of the leader of Hamas in Iran, fall within this context only. It is a repetition of the concessions extended by America to the entity of Jews in the past. This is all due to the lack of an announced plan adopted by the American administration. America and the Jews have hatred and malice for Islam and Muslims, which have blinded them. They lost their minds in managing the situation with some intellect. I do not say this with any earthly wisdom, they are as our Lord (swt) said about them, **﴿أُولَٰئِكَ الَّذِينَ لَعَنَهُمُ اللَّهُ فَأَصَمَّهُمْ وَأَعَمَّى أَبْصَارَهُمْ﴾** "These are the ones who Allah has condemned, deafening them and blinding their eyes." [TMQ Surah Muhammad 47:23]

This then is the agitation of these three bulls, America, the Safavid regime in Iran and the entity of the Jews, and their machinations against the Ummah, within the heart of its abodes, ash-Sham. The Ummah must declare a state of emergency against them before it is too late. These are malevolent criminals, militarily, politically and ideologically. Only the state of Islam led by a rightly-guided Khaleefah will deal with the entity of the Jews according to the Sunnah of the Prophet (saw), in Bani Quraydah. Only a rightly-guided Khaleefah will deal with America according to the example of the Ottoman Caliphate, which defeated America, sank its fleet in the sea, and forced it to pay the jizya. Only a rightly-guided Khaleefah will deal with the Iranian regime according to the example of Sultan Selim Yavuz, who defeated the Safavid dynasty, and according to the example of Sultan Suleiman the Magnificent, who annexed it to the Islamic State.
