

Will the One Who Did Not Mobilize for Gaza, Now Mobilize for Jenin?

(Translated)

News:

Since Tuesday afternoon, the army of the Jewish entity began a military operation in the city of Jenin and its camp in the northern West Bank, which it called the Iron Wall, during which 12 Palestinians were martyred and 40 were injured until Thursday evening, according to official Palestinian sources. (Al Jazeera Net, amended)

Comment:

This is not the first time that Jewish forces have stormed the Jenin camp. Yet they did not break the will of the resistance fighters. It is fitting for this fragile entity to learn a lesson from the people of Gaza. It is Gaza that endured for fifteen months without being broken. The will, constancy and steadfastness of its people and fighters endured despite the destruction of homes, hospitals and schools Within it. Yet the Jews were unable to defeat the steadfastness of the Iman of the people of Gaza.

The aggression of the Jews continues on the entire Blessed Land of Palestine, even if a truce for ceasefire is reached within Gaza. The goal of this brutal occupation is to kill all the mujahideen in Palestine, kill the spirit of resistance in the people, and crush everyone who threatens their occupation and dominance. Despite the heavy losses they are suffering, the Jews want to achieve a decisive victory, even if it is over the corpses of children and women.

Gaza, Jenin, Al-Masjid Al-Aqsa and all of occupied Palestine are in pain, with bleeding wounds, as long as the Jews, who invoked the anger of Allah (swt) occupy it, and subject its people to all kinds of oppression and torture.

The Messenger Muhammad (saw) said, «الْمُسْلِمُ أَخُو الْمُسْلِمِ لَا يَظْلِمُهُ وَلَا يَخْذُلُهُ وَلَا يَحْقِرُهُ» **“A Muslim is a brother to a Muslim. He does not wrong him, nor does he abandon him, nor does he look down on him.”** He (saw) did not say a Syrian is a brother to a Syrian, or a Turk is a brother to a Turk, or an Egyptian is a brother to an Egyptian, or a Pakistani is a brother to a Pakistani... Instead, he said a Muslim is a brother to a Muslim. We are one Ummah, the Ummah of Islam, the Ummah of jihad. We are the best Ummah brought forth for humankind. If one part of our body is ill, all of its parts will suffer from wakefulness and fever.

O Islamic Ummah: When will you overthrow your traitorous, humiliated rulers and mobilize your armies in support of the Blessed Land of Palestine?! What happened in Gaza is an armistice, and not the elimination of the Jews and their expulsion from Muslim lands. The liberation of Palestine is still our fundamental and vital cause, for which we must sacrifice the most precious and valuable of matters. Will we remain silent about speaking the truth and holding our rulers accountable and leave Jenin as we left Gaza?!
