

The Organization of Islamic Cooperation (OIC) is a Colonialist Tool to Ensure the Survival of the Jewish Entity

News:

Pakistani Deputy Prime Minister and Foreign Minister Ishaq Dar on Monday (17/02/2025) urged the Organisation of Islamic Cooperation (OIC) to endorse a Saudi initiative seeking the establishment of a Palestinian state as an indispensable pre-condition for normalisation in the entire region. He said, we must initiate concrete steps to secure the two-state solution. (*Dawn*)

Comment:

The OIC was established to cool the anger of the Islamic Ummah after the Zionist occupation started a fire in Al-Masjid Al-Aqsa on 21 August 1969. Since the inception of the OIC on 25 September 1969, it has failed to address any issue of the Muslim world whether it is Palestine, Kashmir, Bosnia, Myanmar (Burma), East Turkistan, Afghanistan, Sudan or Syria. Whenever there is an attack on Muslims anywhere, the OIC gathers to issue condemnations and appeals for action by the International community, led by America. However, it is the United States itself that leads other nations in war against Muslims and Islam. As for Palestine specifically, America under both Biden and Trump has made it clear that it will go to any extent to secure the survival and expansion of the Jewish entity.

Regarding the survival of the Jewish entity, Trump will continue his plan to establish a Jewish entity by making the rest of the countries in the region normalize relations with this entity to acknowledge its legitimacy and its usurpation of Palestine. Among the countries nominated for this is Saudi Arabia, especially since the Saudi Crown Prince's connection is strong with Trump, who is strongly following up on the entity's normalization with Saudi Arabia.

Regarding the expansion of the Jewish entity, Trump said in August 2024, "When you look at the map, a map of the Middle East, 'Israel' is a tiny little spot compared to these giant land masses. I actually said: 'Is there any way of getting more?'" Forced displacement is one of the ways to expand the entity. It seems that Trump wants to prepare the atmosphere for the agent rulers to proceed with this forced displacement, that the rulers had previously rejected, especially in Egypt and Jordan. In other words, it is a process of "testing the waters" to see if these rulers can pressure the people to implement Trump's statement, and displace them from their lands, empty them and annex them to Jews, or postpone this to another time that Trump deems appropriate, if the Muslims rise up against the rulers and prevent them from this step, which is a betrayal against Allah, His Messenger and the believers.

As for the rulers of Pakistan, they are competing with the rulers of Egypt, Jordan and Saudi Arabia in betrayal. Consequently, the foreign minister endorsed the Saudi initiative and called for normalization.

O Muslims! Allah (swt) said, **سُبْحَانَ الَّذِي أَسْرَى بِعَبْدِهِ لَيْلًا مِّنَ الْمَسْجِدِ الْحَرَامِ إِلَى الْمَسْجِدِ الْأَقْصَى الَّذِي بَارَكْنَا حَوْلَهُ** "Glory be to the One Who took His servant on a Night Journey, over part of the night, from Al-Masjid Al-Haraam (Al-Kaaba) to Al-Masjid Al-Aqsa, whose surroundings We have blessed." [TMQ Surah Al-Israa 1]. The rulers of Muslims are crossing a red line tied to your Aqedah. They are working to normalize the occupation of the Blessed Land of Israa, Miraj and Al-Masjid Al-Aqsa, as well as the expansion of the occupation. You must raise your voices against this betrayal. You must contact your relatives and friends in the armed forces to remove the obstacles in the way of their mobilization in support of Palestine. Ramadan, the month of victory, approaches. Let this Ramdhan witness the removal of the agent rulers, the establishment of the Khilafah (Caliphate) on the Method of Prophethood and the liberation of Al-Masjid Al-Aqsa.
