In the video that the men had shared on Telegram, the two young men named Mohsen Mustafa (27 years of age) and his cousin Ahmed Sherif Ahmed Abdel Wahab (23 years of age) stormed a police station and locked security personnel in a prison cell. In the video, the men were telling the officers that if the officers were told to arrest protesters whom were protesting for the sake of our brothers and sisters in Gaza, they would arrest them, saying "They [rulers] use you because you don't reject orders. You never reject orders! You don't use your brain." He continued his protest by saying, "Our brothers and sisters in Gaza, and we want to open the crossing. What should we do?" (X)

This bravery, facing a regime, head on for the sake of Allah (swt) is true heroism! For Allah's Messenger (saw) said, «انصُرْ أَخَاكَ ظَالِمًا أَوْ مَظْلُومًا» قَالُوا: يَا رَسُولَ اللَّهِ هَذَا تَنْصُرُهُ مَظْلُومًا، فَكَيْفَ تَنْصُرُهُ «تَأْخُذُ فَوْقَ يَدَيْهِ» «**Help your brother, whether he is an oppressor or he is an oppressed one.**» People asked, "O Allah's Messenger (saw)! It is all right to help him if he is oppressed, but how should we help him if he is an oppressor?" The Prophet (saw) said, "**By preventing him from oppressing others.**"

They stood up for their brothers and sisters, whom are bring oppressed day and night. They had also done their best to stop the regime's officers from their participation in the oppression. They questioned them and made them listen to what was needed to be said, fearing no consequences for their actions. They stood up, knowing the regime their facing is known for torturing and killing those who step out of line. But that did not deter them from doing all they knew they could do for the sake of our brothers and sisters. May Allah (swt) accept their deeds and give their family patience. May they find this stance as a source of Nour (light) on the day when the witnesses stand.

O Sincere officers in the Kinanah! We know that there are sincere officers among you, who went into the army or security forces in order to fulfil your obligation in front of Allah (swt). We know that you don't want to be oppressors! So take the words of Mohsen and Ahmed and think about it! YOU ARE BEING USED to further an agenda. To them, you are nothing but a tool, being used by the Kuffar and the treacherous regimes of the Muslim countries to further implement the West's agenda! Use your brains! Think and ask yourselves, when the day comes and all the witnesses stand to testify in front of Allah A'za Wajal, what is your position? What will you answer to your Creator when asked about what you have done for your brothers and sisters, sitting right across the artificial boarder, whom are dying from STARVATION! While you not only can bring in aid, but can also liberate Gaza and all of Palestine! Stand up to these regimes, take orders not from them, but from one who will implement the rulings of Allah (swt), a Khaleefah (Caliph).

O Sincere Officers! Say enough is enough... do the most honorable form of Jihad and stand up to the regimes! The Prophet (saw) said: «أَفْضَلُ الْجِهَادِ كَلِمَةٌ عَدْلٍ عِنْدَ سُلْطَانٍ جَائِرٍ» "**The best fighting (jihad) in the path of Allah is (to speak) a word of justice to an oppressive ruler.**"
