Comment:

Who exactly is this king?

The tyrant king of Jordan established an air bridge which supplied the Jewish entity with weapons.

Then when the Jewish ships were attacked by Muslims in Yemen, the tyrant king provided a land bridge for supplies.

Then when Iran launched missile and drone strikes, the tyrant king exhausted all efforts to prevent harm to the Jewish entity, and opened the skies of Jordan to Jewish warplanes.

The tyrant king is a traitor, as well as the son and grandson of traitors. His dynasty is the first line of defence for the Jewish entity.

Were the tyrant king coming in repentance, offering to open the air and ground for the troops of Pakistan, to launch a war to liberate Palestine, we would welcome him.

However, only the treacherous rulers of Pakistan will welcome him, and support him in his treachery, as they are no less than him in betraying Gaza and al-Masjid al-Aqsa.

As for us, we must disavow the rulers, and raise our voices against the visit and the rulers who spend our wealth to harm us.

And Allah (swt) is Witness to our good speech and brave stances.
