

After the Al-Aqsa Flood by the Mujahidoon of Gaza, It Is Time for the Ummah Flood by the Armies of the Entire Muslim World

News:

Several regions in Syria witnessed protests and demonstrations in solidarity with the Gaza Strip and in condemnation of the “Israeli” Knesset's decision regarding the execution of Palestinian prisoners. This reflects widespread public support despite the complex internal circumstances the country is experiencing. The demonstrations extended from Daraa province in southern Syria to the capital, Damascus, and as far as Aleppo, where symbolic demonstrations, rallies, marches, and sit-in protests were held in front of international organizations and educational institutions. Comment:

Despite the media blackout by the rulers of Pakistan and their mouthpieces, Muslims in Pakistan are reacting to news via social media of the closure of Al-Masjid Al-Aqsa, the announcement of the Jewish entity to execute prisoners from amongst the Muslims of Palestine, the demonstrations in Syria in support of Gaza and the prisoners, and the direct call from Baytul-Maqdis and Gaza for the liberation of Al-Masjid Al-Aqsa by a unified Ummah.

Thus, whilst the paid mouthpieces spin narratives justifying a military operation against Iran by the strongest Muslim army, the Pakistan Army, in the event of a failure of negotiations, Al-Masjid Al-Aqsa calls on heroes whose good deeds will be recorded in history as the liberators of the Blessed Land of Palestine, and above all in the meezan of hassanat (scale of good deeds) before Allah (swt).

Let the Muslims register that the call of the demonstrators in Syria was, يا خبير، خبير، يا خبير، “O Jews! Remember what happened to Banu Khaybar. The army of Muhammad (saw) will return.” Who else but an army from amongst the armies of the Muslims can be such an army? Accordingly, let the Muslims contact their relatives and friends in the armed forces of the Muslims to demand that they move as the first liberators of Palestine and its Al-Masjid Al-Aqsa, the First Qibla of the two Qiblahs, the destination of the Israa (Night Journey) of the Prophet (saw) and the third of the three Sacred Masajid.

After the “Al-Aqsa Flood” by the mujahidoon of Gaza, it is time for the “Ummah Flood” by the armies of the entire Muslim World. The entire Ummah must mobilize its armies to achieve the honor of being the deserving sons of Umar (ra), the opener of Al-Aqsa, Salahudeen, the liberator of Al-Aqsa, and Abdul Hamid II, the defender of Al-Aqsa. It is then that armies will become the punishers of the Jewish entity, the Ansar of the Deen of Allah (swt), and the rescuers of the oppressed women, children and elderly who have been slaughtered, tortured and raped by the Jewish entity since 1948.

The Ummah has seen the success of the Muslim army of Iran against the Jewish entity and the US, despite not being the strongest of the Muslim armies. The Ummah yearns to see the success of the armies of Pakistan, Türkiye, Egypt and Hijaz against

the American crusaders and the descendants of Khaybar. Indeed, if nuclear Pakistan alone moves with its large, well-trained, sufficiently equipped armed forces, it is enough. Moreover, through the trial of the war on Iran, Allah (swt) removed a major obstacle before the Pakistan Army, that prevented the reaching Al-Masjid Al-Aqsa by land. The war on Iran has removed sectarian rivalry amongst the Muslims, with the exception of the rulers and their mouthpieces. As soon as the Pakistan Army announces Jihad against the US and the Jewish entity, the route from Baluchistan through to Iran and beyond becomes wide open. So, why should the armed forces of Pakistan deprive themselves of the reward of leading the “Ummah Flood?”

O Muslims!

Account the paid mouthpieces who talk of negotiations and siding with the enemies when victory is within reach, after struggle and sacrifice on the battlefield. Account them until they fall silent, repent and then call for Jihad along with you. Yes, our accounting will begin with our Salah, but it will not end with Salah. We are an Ummah that enjoins the ma’roof (righteousness) and forbids the munkar (evil), and consider any loss in wealth, health or life when standing before the tyrant as a sacrifice that is pleasing to Allah (swt). We are not an Ummah of passiveness, submission and surrender. We are an Ummah of Iman, tawwakul (reliance upon Allah (swt)) and ithbaat (firmness) upon truth. It was narrated on the authority of Abu Sa’id al-Khudri (ra), who said that the Messenger of Allah (saw) said, **«لا يمنع رجلًا هيبته الناس أن يقول بحق إذا رآه أو شهده، فإنه لا يقرب من أجل ولا يبعد من رزق»** **“Let not the fear of people prevent a man from speaking the truth when he sees it or witnesses it, for it neither hastens death nor delays sustenance”** [Narrated by Al-Tirmidhi and Ibn Majah].

O Armies of Muslims!

The liberation (tahrir) of the Ummah and its Al-Masjid Al-Aqsa begins with your liberation. The rulers order you to be harsh with the believers, and merciful to the enemies, whilst Allah (swt) orders you to be merciful with the believers and harsh with the enemies. Allah (swt) said, **«مُحَمَّدٌ رَسُولُ اللَّهِ وَالَّذِينَ مَعَهُ أَشِدَّاءُ عَلَى الْكُفَّارِ رُحَمَاءُ بَيْنَهُمْ»** **“Muhammad, the Messenger of Allah, and those with him, are harsh upon the kuffar and merciful amongst themselves”** [TMQ Surah Muhammad 7]. Depose the rulers, agents and followers of the US. Grant your nussrah (military support) for the establishment of the Khilafah Rashidah (Rightly-Guided Caliphate) on the Method of the Prophethood. It is Hizb ut Tahrir, the guide that does not lie to its people, that seeks your nussrah, so respond, without hesitation or reservation.
