

The Military Operation Against India in May 2025 Confirmed the Ability of Pakistan to Liberate All of Occupied Kashmir and Palestine

News:

10 May 2026 marked the first anniversary of the completion of Operation Bunyan-un-Marsoos, which revealed the actual strength of the armed forces of Pakistan.

Comment:

Allah (swt) said ﴿إِنَّ اللَّهَ يُحِبُّ الَّذِينَ يُقَاتِلُونَ فِي سَبِيلِهِ صَفًا كَانَهُمْ بُنِينَ مَرَصُوصًا﴾ **“Surely Allah loves those who fight in His cause in ranks as if they were one solidified structure (Bunyan Marsoos)”** [TMQ Surah As-Saf 4]. In actions loved by Allah (swt) and the believers around the Muslim World, the brave falcons of the Pakistani Air Force downed state-of-the-art Indian warplanes, and knocked out the S400 missile defence system of India, forcing the Indian Airforce to remain grounded for two days.

After Allah (swt) granted air supremacy to the believers, the liberation of occupied Kashmir by the mujahid Pakistan Army was an inevitable matter. Thus, Operation Bunyan-un-Marsoos created panic within the leadership of the US, which mobilized desperately to secure a ceasefire, to save its protégé in the East, the Hindu State, using the same deceptive tactic it uses to save its protégé in the West, the Jewish entity.

In terms of Dunya, Operation Bunyan-un-Marsoos raised the profile of the armed forces of Pakistan by many folds among the militaries of the world. Several military delegations from the East and the West came to Pakistan to learn about the tactics. Indeed, it is Jihad that grants honor, whilst humiliation is a consequence of abandoning Jihad. Abu Dawood narrated that Ibn ‘Umar said: I heard the Messenger of Allah (saw) say, «إِذَا تَبَايَعْتُمْ بِالْعِينَةِ ، وَأَخَذْتُمْ أَذْنَابَ الْبَقَرِ ، وَرَضِيتُمْ بِالزَّرْعِ ، وَتَرَكْتُمُ الْجِهَادَ ، سَلَّطَ اللَّهُ عَلَيْكُمْ» **“When you engage in ‘aynah transactions, and you take hold of the tails of oxen and you are content with agriculture, and you abandon Jihad, then Allah will send upon you humiliation that will not be dispelled until you return to your Deen.”**

However, instead of being a motivation to liberate all of Occupied Kashmir and the Blessed Land of Palestine, the rulers of Pakistan are exploiting Operation Bunyan-un-Marsoos in an expensive expression of narrow nationalism, and a vulgar promotion of the pro-American leadership of our armed forces. How can we accept this? By ordering a ceasefire in May 2025, when the liberation of Occupied Kashmir was inevitable, the leadership of the armed forces marketed themselves to the arrogant Trump. Trump now praises Asim Munir as “my favorite field marshal” as if Asim Munir were a commander within USCENTCOM, rather than the commander of the most powerful Muslim army in the world. This praise by the butcher of the children of Gaza and the school girls of Iran is a source of painful humiliation for any Muslim with even an ounce of Iman.

O Muslims of Pakistan!

One year has passed since Operation Bunyan-un-Marsoos, whilst the Hindus still occupy Kashmir, the Jews still occupy Palestine and the American crusaders remain as a snake in our abode, striking at our countries one by one. We must hold the military leadership accountable for their inaction in general, and over occupation of Kashmir and Indian abrogation of the vital Indus Waters Treaty in particular. India plans to jeopardise Pakistan's food security by manipulating water flows. What is the response of the military leadership? Do they think that the American crusaders will side with Pakistan in any conflict with the Hindu State?

The actions of the armed forces of Pakistan in 2025 and the armed forces of Iran in 2026 demonstrate that the Islamic Ummah has all the required military power to defeat our enemies and liberate our occupied lands. The Islamic Ummah is not weak, it has been paralyzed by its current rulers and military commanders. It is only the Shariah ruling governance, the Khilafah, that will unleash our actual capabilities.

O Armed Forces of Pakistan!

Set your sights now on great victories for the Islamic Ummah: the complete liberation of Occupied Kashmir, the liberation of the Blessed Land of Palestine and the expulsion of the American military infrastructure from the Muslim World. You are materially capable whilst the military doctrine of the Muslim warrior is of Iman, Jihad, seeking victory and seeking martyrdom.

Ibn Hajar Al-Haythami said in al-Zawaajir (الزواجر) that, *(الْكَبِيرَةُ التَّسْعُونَ وَالْحَادِيَةُ وَالثَّانِيَةُ، وَالتَّسْعُونَ بَعْدَ الثَّلَاثِمِائَةِ: تَرْكُ الْجِهَادِ عِنْدَ تَعَيُّنِهِ بِأَنْ دَخَلَ الْحَرْبِيُّونَ دَارَ الْإِسْلَامِ أَوْ أَحَدُوا مُسْلِمًا وَأَمَكَنَ تَخْلِيصُهُ مِنْهُمْ، وَتَرْكُ النَّاسِ الْجِهَادَ مِنْ أَصْلِهِ، وَتَرْكُ أَهْلِ الْإِقْلِيمِ تَحْصِينَ تُغَوَّرُهُمْ بِحَيْثُ يُخَافُ عَلَيْهَا مِنْ اسْتِيْلَاءِ الْكُفَّارِ بِسَبَبِ تَرْكِ ذَلِكَ)* "The 390th, 391st and 392nd major sins are abandoning Jihad when it becomes an obligation, which is when aggressors enter the Muslim land or when they seize a Muslim, and it is possible to rescue him from them, but the people abandon Jihad altogether. It is also when the people in a region neglect to fortify their borders, so that there is a risk of the disbelievers overrunning them because of that."

O sons of Muhammad Qasim, the aggressors have occupied our lands and seized the Muslims of Iran, the land of Al-Bukhari and Muslim, so will you not mobilize in Jihad in the Cause of Allah (swt)?! It is clear that the current military leadership will never lead you in fulfilling your Shariah obligation and averting major sin. Seize the traitors, grant your nussrah (military support) for the establishment of the Khilafah Rashidah (Rightly-Guided Caliphate) on the Method of Prophethood and regain lost honor by entering Srinagar and Al-Masjid Al-Aqsa as liberators.

One of the two good deeds, victory and martyrdom, awaits every single one of you. Hizb ut Tahrir demands your nussrah as the first step, so respond.
