

So, When Will There Be a Pact to Deter the Aggression of the Jewish Entity, the American Crusaders and the Hindu State?

News:

A joint statement was issued today at the Makkah Al-Mukarramah Summit for Joint Defence between Saudi Arabia, Türkiye, and Pakistan... The Agreement is intended to strengthen collective deterrence against any act of aggression, and stipulates that any armed attack against any one of the three States shall be regarded as an attack against them all. It further provides for the enhancement of all aspects of defence cooperation among the three States. (Saudi Press Agency)

Comment:

Why have the rulers of Saudi Arabia, Türkiye and Pakistan decided to make a military pact now, and not before? They did not make any pact to strengthen collective deterrence against the aggression of the Jewish entity on Gaza, which began in October 2023 and has not ended. Had they done so the liberation of Palestine and Al-Masjid Al-Aqsa would have been completed within days, or within a few hours of a single day. They did not make any pact against the aggression of the American crusaders on Iran which began in February 2026 and has not ended. Had they done so they could have led the armies of the Ummah in forcing the retreat of the American forces from the heart of the Muslim World, the snake in our abode, that is striking the Muslim states one after another.

So, why did they make a pact now, exactly? The rulers of Saudi Arabia, Türkiye and Pakistan only made a pact now to assist Trump, after the Muslims of Iran bravely repelled his aggression and exposed the weakness of the American military forces, exhausting their stores of weapons and striking fear into their ranks. They only made a pact now to pressurize the resisting faction within the Islamic Revolutionary Guards Corps so that it accepts for Iran to be a state that is subordinate to the US, instead of an independent state. They only made a pact now because Washington wants Muslims to fight Muslims, so that victory is achieved over all of them for the Jews and the American crusaders.

Thus, it was subservience to the disbelievers that led these rulers to agree upon and sign a joint defense pact now. As for the Blessed Land of Palestine, it is not befitting to honor these rulers by associating them with it, nor are they deserving the honor of defending it. They are despicable and they have confirmed that the Islamic Ummah and its armies must rise up and remove them.

O Islamic Ummah and Its Armies! How can we tolerate oppressors and traitors to rule us by the laws, policies and dictates of the disbelievers, when we are of the Ummah of Muhammad (saw)? How can we tolerate the destructive consequences of the absence of a single Khaleefah Rashid (rightly guided caliph) over all of us, ruling us by Islam, in terms of disputes, conflicts and Fitnah? Ibn Ishaq narrates that in his Khutba, the first Khaleefah Rashid, Abu Bakr As-Siddique (ra), said, **وَأِنَّهُ لَا يَجُزُّ أَنْ يَكُونَ لِلْمُسْلِمِينَ أَمِيرَانِ، فَإِنَّهُ مَهْمَا يَكُنْ ذَلِكَ يَخْتَلِفُ أَمْرُهُمْ وَأَحْكَامُهُمْ، وَتَتَفَرَّقُ جَمَاعَتُهُمْ، وَيَتَنَازَعُوا فِيمَا** "Indeed, it is not permitted for the Muslims to have two ameers. If that were to occur, there would be disagreement over their affairs and laws, the community of Muslims would be split and they would dispute with each other. That would result in the Sunnah being abandoned. Innovation (bid'ah) would appear, discord (fitnah) would be widespread, whilst none of that would be righteousness for anyone."

Through successive trials, where one trial does not end before another begins, Allah (swt) has clearly differentiated unity from division, good from evil, the righteous from the traitors and the Shariah obligation from sinful neglect. It is upon all of us, each and every one of us, to join our nights with our days, through small actions and large actions, until Allah (swt) grants us victory through the establishment of the Second Khilafah Rashidah (rightly guided Caliphate). It is then that the Ummah and its armies will mobilize to end the aggression of the American crusaders, the Jewish entity and the Hindu State, once and for all.
