

China debating a formal coalition to fight the war against Islamic Political Revival

News:

On the 13th of January 2016 the *Washington Post* reported that the Chinese government has been planning to extend their efforts in their war against Islam by sending their own troops to join the international forces operating around the globe. "China is said to be concerned about areas such as Xinjiang province, where Muslim Uighurs have been accused of joining Islamist terrorist groups like ISIS and ISIL."

Comment:

China's enmity with Islamic practice and the persecution of the Muslim in Xinjiang is well documented and has a long history. In 2015 the Chinese Government issued punitive edicts in the Xinjiang's capital, Urumqi, banning Muslim women from wearing the Hijab, Jilbab and forcing them to wear short dresses in the street. Males were targeted for praying in the Mosques and wearing beards. However public attacks and insults are no longer satisfying the vengeful thirst for Muslim oppression. Reports have emerged from the Muslims in the region that the Chinese authorities have escalated their terrorism of Muslims by threatening Muslims in the local areas to spy on their fellow Muslim and inform the authorities about those women who wear Hijab in their own home! Failure to co-operate in the spying operations will be met with torture or imprisonment. Forced entry into the private homes of Muslim is routinely practiced in an attempt to remove all sense of dignity or the Ummah of Mohammad (saw). The *Washington Post's* article debated if China would side with Russia or America, is an irrelevant question for Muslim know from the advice of the Prophet (saw) that the non-Islamic political leaderships of the world will always be united against the dominance of Islam which challenges their illegitimate authority. Allah (swt) informs us in the Quran in Surah Al Anfal ayah 36.

﴿إِنَّ الَّذِينَ كَفَرُوا يُنْفِقُونَ أَمْوَالَهُمْ لِيَصُدُّوا عَنْ سَبِيلِ اللَّهِ فَسَيُنْفِقُونَهَا ثُمَّ تَكُونُ عَلَيْهِمْ حَسْرَةً ثُمَّ يُغْلَبُونَ وَالَّذِينَ كَفَرُوا إِلَىٰ جَهَنَّمَ يُحْشَرُونَ﴾

"Verily, those who disbelieve spend their wealth to hinder (men) from the Path of Allah, and so will they continue to spend it; but in the end it will become an anguish for them. Then they will be overcome. And those who disbelieve will be gathered unto Hell."

Islamic History has shown that for every violent oppressor waging war against the truthful believers in Islam, Allah (swt) has sent a pious liberator supported directly with the power of Allah (swt), so we pray that the pure good Muslim women of Xinjiang remain steadfast in their unshakable resolve to worship Allah (swt) alone and submit to no other false power.
