

The Butcher Karimov's Fake Security Council Meetings will only Produce More Orphans and Martyrs for the Women of Uzbekistan

News:

On the 29th of July 2016 the President of Uzbekistan chaired a Security Council meeting with government officials and heads of relevant departments regarding the "deteriorated security situations in neighboring Afghanistan and its spillover effects on the country's southern border." "Improvements in the security of Uzbekistan and co-operation with neighboring countries."

Comment:

We are fully aware of the thousands of brothers and sisters murdered by this bloodthirsty leader, most recently Brother Umrzakov Kodirzhon Teshaboevich whose wife and children have been left with no concern for their welfare or security (Further details of this horrendous incident can be found at the Official Hizb ut Tahrir [Press Release](#)). These pseudo-diplomatic moves are merely a thinly veiled disguise to conceal his real agenda to continue to harm the sincere dawah carriers who challenge the corruption and illegitimacy of Karimov's ruling.

The decades-long dictatorship of Karimov is not an independent leadership but is a contrived indirect colonialist entity that is for the most part serving the interests of the United States. We recall the visit of U.S. Secretary of State John Kerry on November 1st 2015 when he toured the Central Asian regions. Specific attention was given to Uzbekistan with numerous secret meetings being held with Karimov. The Reuters news agency reported that journalists were forbidden to document the subjects covered in the US/Uzbek dialogue and were only given generalized contrived summaries of events. Before his meeting with Karimov, Kerry expressed no intentions to address the sickening abuse of citizens, including the vilest violations against our pure sisters who have experienced unspeakable cruelty when they exercise their voice to account the wrongdoings of the leadership. The hypocrisy of democratic human rights and free speech is clear. Kerry instead chose to explain to media outlets that "the United States does support the sovereignty and territorial integrity and independence of each country that's represented here." That is diplomatic double speech for the US strategy to counteract European, Chinese and Russian influence in the region.

Karimov's recent bogus Security Council meeting where he expressed concerns that "Afghanistan is the source of concern since the country has been in a state of political and social turmoil, as it continues to fight Taliban insurgency. Other extremist groups such as the Islamic State terrorist group, outlawed in many states" is another example of diplomatic jargon that should be translated as a recommitment of Uzbekistan as a current provider of logistical support for the U.S.-led military campaign in neighboring Afghanistan.

The Muslim women of this Ummah will never agree to be silent to the great crimes against this Ummah and betrayal of the Quran and Sunnah. We will never cease in being steadfast in accounting these traitors to the truth that they should stand down from their puppet posts and allow this Ummah to live as they desire under the noble ruling of the Khilafah. We will continue to work together with our brothers and sisters internationally in one united front in support of the call of Allah (swt) to remove these evil rulers who exist in opposition to Islam, fearless of the consequences meted out all of the world's tyrants. Karimov and those like him should recognize that their days are numbered. Allah (swt) is swift in His promise to account the enemies of Islam as shown in Suran Anfal verse 36.

﴿إِنَّ الَّذِينَ كَفَرُوا يَنْفِقُونَ أَمْوَالَهُمْ لِيَصُدُّوا عَنْ سَبِيلِ اللَّهِ فَسَيَنْفِقُونَهَا ثُمَّ تَكُونُ عَلَيْهِمْ حَسْرَةً ثُمَّ يُغْلَبُونَ وَالَّذِينَ كَفَرُوا إِلَىٰ جَهَنَّمَ يُحْشَرُونَ﴾

"The Unbelievers spend their wealth to hinder (man) from the path of Allah, and so will they continue to spend; but in the end they will have (only) regrets and sighs; at length they will be overcome: and the Unbelievers will be gathered together to Hell." [8:36]
