

Democracy Produces Traitors While Khilafah Produces Sincere Leadership

News:

In an interview to *Dawn* Newspaper on Friday 11th May 2018, the ruling Pakistan Muslim League-Nawaz leader expressed concern over country's relative isolation in world community and apparent non-acceptance of its narrative on terrorism by the world powers. "We have isolated ourselves. Despite giving sacrifices, our narrative is not being accepted. Afghanistan's narrative is being accepted, but ours is not. We must look into it," he said. He then turned his attention to terrorism committed in India allegedly by Pakistan-based militants. "Militant organizations are active. Call them non-state actors, should we allow them to cross the border and kill 150 people in Mumbai? Explain it to me. Why can't we complete the trial?" he asked.

Comment:

Nawaz Sharif's stance regarding the Mumbai attacks created an uproar in Pakistan where they were perceived as anti-Pakistan and in support of the Indian narrative. Overwhelming opinion in Pakistan is that Nawaz deliberately raised this issue to embarrass the military establishment as a counter to their vigorous campaign to secure a jail sentence against him from an accountability court. A section of the media and some opposition political parties described Nawaz's statement as treachery and demanded his trial for treason under article 6 of the constitution.

This controversy has made one thing very clear that Pakistan's secular man made system continuously produces a political and a military leadership which does not care for the interests of Muslims of Pakistan. The main objective of this ruling elite is the fulfillment of its personal interests and when they see that these interests can only be fulfilled in this system by fulfilling US dictates, they simply comply with US dictation without any consideration for the country and its interests. As US wants India to play a greater role in this region which cannot be achieved unless Pakistan is humiliated before India, the political and military leadership of Pakistan, therefore, from time to time take political positions which serve the US interest of raising India's profile in the region.

Muslims of Pakistan will continue to be humiliated at the hands of their own political and military leadership whose loyalty rests with America unless this rotten secular man made system is uprooted and replaced by Khilafah (Caliphate) on the method of Prophethood. It's only the system of Khilafah which produced statesmen like Abu Bakr (ra), Umar (ra), Usman (ra), Ali (ra), Haroon ur Rashid, Suleman Al- Qanoni and military commanders like Khalid bin Waleed (ra), Muhammad Bin Qasim, Tariq Bin Ziyad etc, who only secured the interests of Islam and its Ummah and made this Ummah proud and strong.

Today Muslims of Pakistan must reject the current political and military leadership of Pakistan and stand shoulder to shoulder with the Shabab of Hizb ut Tahrir in their struggle for establishing Khilafah (Caliphate) on the method of Prophethood. The Khilafah will act only in favor of Islam and Muslims which will eventually raise our status from followers of colonialist powers to a power leading the world.
