

The Tyrants Fear the Da'wah Carriers Even While Imprisoned!

(Translated)

News:

According to the BBC Uzbek report on YouTube, the Uzbek security department accused several prisoners, who are still in prison, of trying to seize power from prison, and their case was brought to justice. According to the BBCUzbek correspondent, it is clear from the accusations made by the security department to the court that the prisons in Uzbekistan have become a plot to spread the broad propaganda for Hizb ut Tahrir. The BBCUzbek correspondent asked: Does Hizb ut Tahrir really have the ability to do this, and therefore the security departments in Uzbekistan cannot monitor them even in prisons?!

It seems clear from the documents that reached BBCUzbek that in the city of Qarshi, two of the men who were previously accused of membership in Hizb ut Tahrir and were about to serve their sentences in prison, were accused of aggression against the constitutional order and establishing the extremist religious organization. The senior investigator in the security department in the state of Qashqadria Ag. Jalalov accused Abdul Samad Tukhtayev, who has been in prison for 19 years and is 48 years old, and Ibrahim Issa Bayev from Mergelan city, who has been in prison for 18 years and is also 48 years old, accused them of establishing the extremist religious organization...

According to the words written in the indictment of the security administration, Abdul Samad Tukhtayev plotted with Ibrahim Issa Bayev and joined him in a group and tried to coordinate the work of the members of the extremist religious organization Hizb ut Tahrir in the prison where he is serving his sentence...

The same accusation was made against Bakhtiar Torabov, 62, and Naked Sattab Aldev, who are serving their sentences in Nuwei prison. They were sentenced to seven and eight years' imprisonment also for organizing the extremist organization... The BBCUzbek says that Umm Abd al-Samad Tuqtaev, 83, is blind and is waiting for her son to be released from prison. She does not trust her son's ability to overthrow the state while imprisoned in Qarshi prison...

Comment:

The tyrants are afraid of the Da'wah Carriers even when they are in prison! For these tyrants are afraid of light as bats are! These tyrants fear from the crack of light that the call of Hizb ut Tahrir holds to break darkness. The false accusations are therefore made in order to keep members who were already sentenced in prison for carrying out the call in prison.

As for the BBCUzbek question: Does Hizb ut Tahrir really have the capacity to do so? The answer to this question is: Yes, Hizb ut Tahrir is a strong organization! Its power is in the ideas and concepts of Islam. I.e. Its strength is derived from Islam! As

well as its ability to call for the Righteous Caliphate on the method of Prophethood which it holds. For this reason, it is feared by the West, led by America! Why? Because Hizb ut Tahrir has opened the eyes of the giant, that is, the eyes of the Muslim Ummah.

Soon, this giant will stand on its feet and establish the Righteous Caliphate and smash the Kaffir Western countries and crush them to pieces! It is for this reason that the heads of Kaffir States such as Bush, Blair and Putin warned against the establishment of the Caliphate State, because the days of the colonial infidels will end with the establishment of the Caliphate State! So the infidels have set up tyrannical regimes and their corrupt security administrations in the Muslim lands to prevent the establishment of the Caliphate.

And for about 100 years, these tyrannical regimes and their security administrations have been based on the Ummah's chest and sucking its blood like a leech! In Uzbekistan, the regime of the Jewish tyrant Karimov practiced relentless persecution of Islam and Hizb ut Tahrir, which carries the ideas of Islam. But he could not eliminate Hizb ut Tahrir! Thus, after the death of the Jewish tyrant Karimov, the new regime in Uzbekistan, used the policy of "cake and whip", by orders of their masters colonizer infidels in the West, to deceive the people and keep them in constant fear! Because Uzbekistan is the largest and most important republic in Central Asia. (And we would like to add information that Uzbekistan is rich in natural resources for example, according to channel:

<https://podrobno.uz/cat/economic/uzbekistan-strana-bogataya-mestorozhdeniyami>:

- In Uzbekistan, more than 2700 mines have been discovered! More than 900 mines have been mined, and these reserves are estimated at \$900 billion, and the estimated public metal ore is estimated at \$3 trillion! In addition, there is also a cheap labor in Uzbekistan, because the population of Uzbekistan is increasing. For example, according to information of the Population Department and Labor Statistics of the State Statistics Committee, the population of Uzbekistan on January 1, 2018 was 32 million and 9653 thousand people. This pleases the beastly, greedy infidel colonist West! But this plot of the infidels will also fail, by the will of Allah. And Allah has filled the hearts of the disbelievers with terror! As the signs of the establishment of the Caliphate State, which Hizb ut Tahrir is calling for, is on the horizon! Soon, the giant Muslim Ummah will declare the establishment of the state of the Caliphate and destroy the disbelieving colonizers, by the will of Allah! And the dawn of Islam is bound inevitably!

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

“On that Day shall the Believers rejoice * In Allah's help to victory. He helpeth to victory whom He will. He is the Mighty, the Merciful.” [Ar-Rum: 4-5]
