

NATO is the Evil Ally Responsible for the Slaughter of Hundreds of Thousands of Muslims

News:

President Erdogan expressed: *"Turkey, due to its geographical position, conducts a multifaceted foreign policy with NATO's cooperation within the framework of its own priorities. The safety shelter NATO provides us, is essential for us. But it is obvious that the alliance is in a process of renewing."* (www.sabah.com.tr)

Comment:

President Erdogan's statements about NATO before he departed to London for the 70th anniversary of NATO's foundation were incoherent. This is absolutely NOT a secret for those who can see and reason. I wonder whether Erdogan himself believes in the accuracy of the statements he made about NATO. Does he really believe that NATO conducts the safety shelter mission properly? Whether Erdogan believes it or not, this will not obscure the condition of NATO and its deeds.

It is so pathetic that Turkey is the only member country that takes place in this crusader ally like the West and the US, in other words, it is the only country whose people are Muslim and is involved in NATO. Even though 29 NATO members have some discussions among themselves regarding their own profit, they instantly become an ally when the matter is Muslims and struggle against Muslims. We have come to learn this fact through experiencing it on our own destroyed countries, not through political books.

NATO is the army of the crusaders ally which took part in attacking Afghanistan, Bosnia, Middle East, Africa and lastly Libya, and is responsible for hundreds of thousands of killed and wounded Muslims. The safety shelter Erdogan mentioned is only applicable when it comes to the profits of those colonist disbelievers. To make statements regarding that NATO is going to provide security for Muslims, is best defined with, I reckon, deception and demagoguery, while it is known that the Colonist disbelievers, in other words the crusader ally, never want the good for the Muslims.

Since its membership, Turkey, has supported in Afghanistan as international force, in Bosnia as peace force and in other regions as military force moreover, acting with the reason of *"Turkey is a NATO land"*, Turkey has taken part in the evil ally and unfortunately became a part of Colonist disbelievers' dirty plans. It must be known that this is not something to be proud of; on the contrary, it leads to regret.

The cruel history of NATO is its biggest evidence of being an evil and bloody ally. There is no other evidence needed to pose a resistant and ignorant attitude towards NATO. We remember that Jens Stoltenberg, the secretary general of NATO, stated *"we will not carry this war for the sake of Muslims"*, and his statement indicates that this evil ally is against Muslims, even though they make use of Muslim countries.

This being the case, are you going to let our lands still going to be used/exploited by NATO? Or, oh rulers, are you still going to demand good from your butcher? Are you still going to participate in the evil alliance which is intended to extinguish Muslims? You are a member of NATO for more than sixty years and you are associated in its crimes; does this not make your sleep lose?

Are you still not going to close the bases you have opened for NATO on these lands conquered through the blood of Muslims? How long will you keep harbouring murderous soldiers in our lands?

Are you not going to take the warning of Allah (swt): ﴿وَلَا تَرْكَنُوا إِلَى الَّذِينَ ظَلَمُوا فَتَمَسَّكُمُ النَّارُ﴾ ***"And lean not toward those who do wrong, lest the Fire should touch you"*** into consideration?

Since it is the colonist disbelievers and evil alliances, particularly the US, who are responsible for the sorrow and tears and bloodshed all over the world, it is time for you to do the righteous action. Put an end to your membership of NATO. Dismiss them from our bases, countries and our lands which they use as their backyard. Because we do not want rulers who glorify the colonist disbelievers, sit at the same table with them full of blood, but we want Rashid Caliphs who do not consent to the bloodshed of his brothers, who spread fear amongst the disbelievers with its dominance, who seek glory and honour in the presence of Allah. Undoubtedly this is not difficult for Allah (swt).
