A delegation from Hizb ut Tahrir / Wilayah Sudan - Rabak City, White Nile, visited the Guidance and Counseling Department on Sunday, 1 Rabi' al-Awwal 1447 AH corresponding to 24 August 2025. The delegation met with the head of the Secretariat in White Nile State, Sheikh Abdul Mahmoud Al-Mubarak. The delegation was led by Dr. Ahmed Muhammad Fadl Al-Sayyid, a member of Hizb ut Tahrir, and was accompanied by Professor Faisal Madani, a member of Hizb ut Tahrir.

After the introduction, the head of the delegation explained that this visit comes within the framework of the campaign launched by Hizb ut Tahrir / Wilayah Sudan to prevent the secession of Darfur, highlighting the danger of the plan to the unity of the country, considering it a fateful issue that requires life-or-death measures.

He also mentioned the campaign launched by the party to thwart the plan to separate South Sudan, pointing out the calamities and misfortunes that befell Sudan as a result of its separation, and how America succeeded in that, and is now seeking to separate Darfur.

The delegation also discussed the siege in El Fasher and the starvation weapon being used against our people in El Fasher, Deling, Kadugli and Gaza, citing the hadiths of the Prophet (saw) which urge unity among the Ummah.

Sheikh Abdul Mahmoud agreed with the delegation's statement, emphasizing that they support the unity of the Ummah, even if it means using weapons. He emphasized that the pulpits are open to you, and that we will direct the imams of the mosques and all our members to speak about this crucial issue.
