

Finally, the Tyrant Trump Concludes his Visit to the Region

(Translated)

Trump began his visit to Saudi Arabia on May 13, 2025, followed by Qatar on May 14, 2025, concluding his trip in the UAE on May 15, 2025, and concluding his tour on May 16, 2025. He then accompanied this visit with his deception that he would not visit the Jewish entity, to mock the fools who claimed that Trump's support for the Jewish entity had been shaken! This is despite the fact that the Jewish entity expanded its attacks on the Gaza Strip after Trump left those three countries. It is certain that the Jewish entity cannot begin or expand its aggression against the Gaza Strip without full American approval, especially during the Trump administration! Trump did not stop there, but rather made it clear to them, publicly and not secretly, about his real estate dealings in the Gaza Strip: Trump explained from Qatar: "I have concepts for Gaza that I think are very good..." and I think it is a very important area from a real estate perspective..." Trump again suggested transferring the Palestinian population from the Gaza Strip to other countries, which he said were "willing to accept them" (BBC, Thursday, 15/5/2025). Unquestionably, evil is what they decide! And this is how they received him:

1- Trump arrived in Riyadh and was warmly welcomed, as if he had descended from heaven as a savior and redeemer, not an enemy of Islam and Muslims. He recognized Jerusalem as the capital of the Jews, moved his embassy there, and annexed the Golan Heights to the Jewish entity. They gave him a warm welcome, even though he declared in their midst that he wanted to roam freely in the Gaza Strip, buying and selling it, and displacing its people. They gave him a warm welcome, even though he had stated in their presence during his first term: "US President Donald Trump continued to demand that Saudi Arabia pay for American protection of the Kingdom". For the fifth time in less than two weeks, Trump demanded that Saudi King Salman bin Abdulaziz pay for protection, saying that Saudi Arabia would not exist without American protection." (Al Jazeera, Oct. 11, 2018). Then, before he leaves, they give him the Muslims' money: "The White House said that President Trump guarantees a historic commitment to Saudi Arabia investing \$600 billion in the United States. He added that the United States and Saudi Arabia signed the largest defense sales agreement in history, worth approximately \$142 billion." (Al Jazeera, 13/5/2025).

He did not stop at plundering the Muslims' money, but rather went further by normalizing relations with the Jews: "US President Donald Trump said on Tuesday that Saudi Arabia will soon join the Abraham Accords... He added that he strongly hopes that Saudi Arabia will soon sign a normalization agreement with 'Israel'." (Sky News Arabia, 13/5/2025.) Then, "Trump met with transitional president Ahmed al-Sharaa in Riyadh before heading to Qatar on the second day of his visit to the region. Turkish President Erdogan attended the meeting via the internet..." (BBC, 14/5/2025). The British newspaper, The Times revealed the details of Ahmed al-Sharaa's situation: The Times added "**Sharaa** has even raised the **possibility** of a **Trump Tower** in **Damascus**, the **Syrian capital**, as part of his pitch to the **US president through...** an attempt to woo the US president, through intermediaries believed to include prominent figures in Saudi Arabia and Turkey..." The Times reported that al-Sharaa may offer to begin talks to join the Abraham Accords, according to what the British newspaper learned from security sources... (BBC, 13/5/2025). As can be understood from this, Mohammad Bin Salman and the Turkish president were the "godfathers" of this!

2- Then he travels to Qatar, where he is welcomed as a friend, not an enemy. He is the one who imposed on them to be a center for negotiating with the Jews, to give them through negotiations what they could not achieve in wars with a small, under-equipped, and unstable group of believers. He imposed on them to be a center for negotiating with the Jews, as if Qatar were neutral, but rather they are closer to the Jews. Then they welcome him as a friend and loved one, and he visits his base among them, unable to reject his base, even though it is the center of America's war against Muslims wherever they are. Trump says to his base, in full view of Qatar: "US President Donald Trump announced on Thursday that Qatar will invest \$10 billion in Al Udeid Air Base, the largest US military base in the Middle East..." (Sky News Arabia, 15/5/2025). Trump was speaking at the conclusion of his visit to Qatar.

3- Then Trump travels to the UAE, his third and final stop on his Gulf tour... and sees there what he sees nowhere else! They close the mosque to welcome him; they close the mosque to honor him! "Trump told reporters inside the mosque... "First time they closed it. It's in honor of the United

States, I think. Better than in honor of me. Let's give it to the country. That's a great tribute." And Bin Zayed awarded Trump the Zayed Medal - the highest honor the UAE bestows on heads of state, kings, and presidents. Then the UAE's investments reach \$1.4 trillion: The UAE president announced, during his reception of his American counterpart at Qasr Al Watan in Abu Dhabi, that his country will invest \$1.4 trillion in the United States over the next ten years." (BBC, 15/5/2025). Then Trump boasts about the wealth he plundered during his tour from Muslims by betraying their rulers, saying to them: **"This is a record tour. There's never been a tour that will raise - it could be a total of \$3.5, \$4 trillion. Just in this four or five days."** (BBC, May 15, 2025). Then Trump left the region on a blue carpet after reaping its rewards "...Trump walked out onto the airport tarmac in Abu Dhabi accompanied by UAE President Sheikh Mohammed bin Zayed, and the two leaders engaged in side conversations on a light blue carpet." (CNN, 16/5/2025)

4- This is how the rulers of the Muslim countries receive him, without any shame before Allah, His Messenger, or the believers! And yet, he "trades them" and with the Muslims' money, plundering the Muslims' money that those rulers do not own: "In Qatar, Trump said that his Gulf tour could yield deals worth up to four trillion dollars, during a meeting with businessmen in Doha. He added, "This is a record tour. There's never been a tour that will raise - it could be a total of \$3.5, \$4 trillion. Just in this four or five days." (BBC, 15/5/2025).

5- It is a great sin that these people are rulers of Muslim lands, turning the country into a playground for Trump and his ilk, where they roam freely. It is a great sin that these people are rulers of Muslim lands, applauding the Kuffar (disbelievers), the enemies of Islam and Muslims, turning betrayal into trust, lying into truth, and controlling the affairs of the masses through evil and destructive deeds. The Messenger of Allah (saw) spoke the truth in his hadith narrated by Ahmad on the authority of Abu Hurayrah, who said: The Messenger of Allah (saw) said: **«إِنَّهَا سَتَأْتِي عَلَى النَّاسِ سِنُونَ خَدَاعَةٍ، يُصَدَّقُ فِيهَا الْكَاذِبُ وَيُكَذَّبُ فِيهَا الصَّادِقُ، وَيُؤْتَمَنُ فِيهَا الْخَائِنُ وَيُخَوَّنُ فِيهَا الْأَمِينُ، وَيَنْطِقُ فِيهَا الرُّوَيْبِضَةُ. قِيلَ: وَمَا الرُّوَيْبِضَةُ؟ قَالَ: السَّفِيهَةُ يَتَكَلَّمُ فِي أَمْرِ الْكَاذِبِ وَيُكَذِّبُ فِيهَا الصَّادِقُ، وَيُؤْتَمَنُ فِيهَا الْخَائِنُ وَيُخَوَّنُ فِيهَا الْأَمِينُ، وَيَنْطِقُ فِيهَا الرُّوَيْبِضَةُ. قِيلَ: وَمَا الرُّوَيْبِضَةُ؟ قَالَ: السَّفِيهَةُ يَتَكَلَّمُ فِي أَمْرِ الْكَاذِبِ وَيُكَذِّبُ فِيهَا الصَّادِقُ، وَيُؤْتَمَنُ فِيهَا الْخَائِنُ وَيُخَوَّنُ فِيهَا الْأَمِينُ، وَيَنْطِقُ فِيهَا الرُّوَيْبِضَةُ.»** **"Indeed, years of deception will come upon the people, in which the liar will be believed and the truthful will be disbelieved, the traitor will be trusted and the trustworthy will be disbelieved, and the ignorant will speak."** It was asked, **"What is the ignorant?"** He said, **"A fool who speaks about public affairs."**

6- **O Muslims:** **«وَلَا تَيَاسُوا مِنْ رُوحِ اللَّهِ إِنَّهُ لَا يَيَاسُ مِنْ رُوحِ اللَّهِ إِلَّا الْقَوْمُ الْكَافِرُونَ»** **"And do not lose hope in the mercy of Allah, for no one loses hope in Allah's mercy except those with no faith."** [Yusuf 12:87]. No matter how arrogant Trump becomes or how overpowering his arrogance is, his fate will come to an end, as has happened to his ilk before him. This tyrant obsessed with his tyranny has forgotten, or pretended to forget, what happened to his followers before him. The Persian kings and the Roman emperors preceded him in their tyranny after they had transgressed. Allah then aided them from where they least expected, with jihad, the conquest of lands, and the illumination of them with the light of Islam. No matter how wicked the Muslim rulers become, they will perish, Allah willing. The lands of the Muslims are pure, and no colonizing Kuffar (disbelievers) will settle there who seek to defile them.

7- **O Muslims:** Hizb ut Tahrir, the pioneer who does not lie to its people, is assured that this oppressive rule under which we live will end, and the Khilafah Rashidah (rightly guided Khilafah) will return once again, Allah willing. Ahmad narrated in his Musnad on the authority of Hudhayfah, who said: The Messenger of Allah (saw) said: **«...ثُمَّ تَكُونُ مُلْكًا جَبْرِيَّةً فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ، ثُمَّ يَرْفَعُهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا، ثُمَّ تَكُونُ خِلَافَةً عَلَى مِنْهَاجِ النَّبِيِّ. ثُمَّ سَكَتَ»** **"Then it will be a tyrannical kingdom, and it will be as long as Allah wills it to be, then He will remove it when He wills to remove it, then it will be a Khilafah (Caliphate) on the path of prophethood. Then he was silent."** However the Laws of Allah dictated that He (swt) would not send down the angels from the heavens to establish a Khilafah (Caliphate) to fight our enemy for us while we sit back, but rather He sends down His angels as reinforcements and good tidings of His victory, men who believed in their Lord and He increased them in guidance, Muslim soldiers, patient in war, who fear their Imam and fight behind him against their enemies and restore their Khilafah and then they will have good tidings. **«نُصْرٌ مِنَ اللَّهِ وَفَتْحٌ قَرِيبٌ وَبَشِيرٌ الْمُؤْمِنِينَ»** **"help from Allah and an imminent victory. 'So` give good news 'O Prophet` to the believers."** [As-Saf 61:13]
