

Innocence from the Ones who Failed to Support Aleppo

(Translated)

Aleppo is burning, while the whole world is watching, listening, and following its news, some participate and conspire, while others are negotiate over their blood, and others are silent and disappointing.

Humanity is being killed and buried under the rubbles of Aleppo. There is no excuse for the one that kills, demolishes, burns, contributes to, conspires, assists, participates, negotiates or fails and becomes silent, they are all partners... down with all the Geneva conspiracies and its offshoots, trickeries and their negotiations' frivolity, and down with this world order and its conventions, organizations and its international and regional savage bodies.

O Allah! we declare our innocence from all of them. O Allah! forgive our weakness and humiliation by the people. You are the Lord of the oppressed. O Allah! support our people in Syria, who are targeted by the evil forces, and killed, destroyed, eradicated the generations, and burnt everything, not for a reason except for demanding to live in dignity in their country. Thus they destroyed and toppled their homes while they are inside and burned them, the massacres are successive even monsters dare not commit.

Aiding our people in Ash-Sham and Aleppo is a duty on all Muslims – single and collective, and on everyone that holds the strength and support and it is a larger duty on all the Muslim world's armies and even more a duty on the Jordanian army.

O our brothers in our Jordanian army and the armies of our Muslim world by Allah (swt) this age as you see it, circles around for you and your Ummah so that you might hold on to the age of reins, and you give victory to Allah (swt), your people and your *Ummah* by freeing them from oppression and remove the grip of these foolish, traitor leaders that are defeatists and plotters, they only care about their ruling positions even if has to cost the life of an entire nation. Certainly the time turns for you so that you might take your true position – a heroic, powerful and honourable position. The pages of this period have been opened for you so that you might note your names in the list of manliness and heroism as your ancestors noted in it in earlier times. We seek *Nusrah* from you because you are for us and for your Ummah and we are for you raising you high above, knowing that there are men and determination amongst you and heroes and the ones that create heroes – so come forth so that Allah (swt) might shower you with mercy and give you glory in the *Dunya* and the comfort of *Akhira*. Do not be afraid from other than Allah (swt) and be sincere in your work for Him. Where is Saad, Amru, Khaled, Abu Ubaydah, Sharhabeel, Muad, Usama and the Mu'ta companions, where are the heroes? You see how your brothers in Ash-Sham are withstanding when they are isolated before the tyranny of the world's oppressors. But after they announced that it is for Allah (swt), so do not be listless because what is with Allah (swt) is better and everlasting.

﴿أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ أَتَأْتِلُّكُمْ إِلَى الْأَرْضِ أَرْضَيْتُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ﴾

“O you who believe! What is the matter with you, that when you are asked to march forth in the Cause of Allah (i.e. Jihad) you cling heavily to the earth? Are you pleased with the life of this world rather than the Hereafter? But little is the enjoyment of the life of this world as compared with the Hereafter.” [Al-Taubah: 38]

Go forth mighty soldiers, O soldiers of Allah come forth to the glory of the two abodes and do not fail your people and yourself otherwise you may be with the fearful and trembling, because the children and women of your Ummah are calling you and the eyes of the vulnerable are watching your actions.

So answer the call of your Lord:

﴿وَمَا لَكُمْ لَا تُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالْمُسْتَضْعَفِينَ مِنَ الرِّجَالِ وَالنِّسَاءِ وَالْوِلْدَانِ الَّذِينَ يَقُولُونَ رَبَّنَا أَخْرِجْنَا مِنْ هَذِهِ الْقَرْيَةِ الظَّالِمِ أَهْلُهَا وَاجْعَلْ لَنَا مِنْ لَدُنْكَ وَلِيًّا وَاجْعَلْ لَنَا مِنْ لَدُنْكَ نَصِيرًا﴾

“And what is [the matter] with you that you fight not in the cause of Allah and [for] the oppressed among men, women, and children who say, "Our Lord, take us out of this city of oppressive people and appoint for us from Yourself a protector and appoint for us from Yourself a helper?" [An-Nisa: 75]

Know dear brothers that you are our strength and that this army is for its Ummah and people, we have no option, after Allah Almighty, other than you, and you have no other choice but to be with your Ummah after the failure of the leaders. Verily after they announced their unveiled hostility towards our Ummah, their hands became blood-stained with our blood and their interest is embraced with the Jewish entity.

O Allah we seek refuge from the harmful leaders' failure, who took control of the land and the people. And we take refuge from the silence of the silent over the crimes of the criminals in our country”.

O our people in Jordan: We in Hizb ut Tahrir in Wilayah of Jordan call upon you to rise and mobilize. Do you not realize that the only solution is to move the armies to stop the massacres taking place in Aleppo? The armies are your sons, and they must move to support their brethren in Ash-Sham, without fearing a ruler or a tyrant, they must topple them if he stands on their way, Allah is most worthy of being feared, He is Wise and Strong.

O Allah, You are the One who eases our difficulties, and removes the burdens and worries. O Allah make this message reach every sincere who is capable of supporting Ash-Sham and its revolution and Aleppo the people of Aleppo. Relieve us from our difficulties, and grant us the victory and authority so that we lift the oppression from the oppressed and that the Deen of Allah becomes dominate.

O Allah we have conveyed the message. O Allah be our witness. O Allah be our witness.
