

Igniting Sectarian Strife is the Exposed Approach of the Jews in Pressuring with Massacres and the Issue of Displacement!

(Translated)

The massacres in Lebanon have continued since the Jews began their brutal and barbaric aggression against it and its people in general, and against the people of the south in particular, until the number of victims in Lebanon exceeded 3200, and the number of wounded amounted for 14,000, and nearly 1.2 million individuals have been forced in displacement, in a policy practiced by this usurping occupying enemy in Lebanon, and it practiced it previously and continues to practice it in the honorable Gaza Strip for more than a year! During this period, the governments of the kafir (disbelieving) West, headed by America, supported the aggression and turned a deaf ear to all the types of death and destruction that are happening to Muslims, and sent delegates, mediators and ministers who insisted to declare their Zionism even if they were not Jews! Thus, all claims of humanity and freedoms and claims to preserve rights and international laws has fallen, these claims that the kafir, hypocritical, colonial West does not cease to claim to be a pioneer in and demands that we implement them in our countries!

As for the rulers of Muslim countries, they have no shame before Allah Almighty, nor His Messenger, peace and blessings be upon him, nor the believers! They gather to raise reproach, every year, in luxurious halls, while homes, residential complexes, and areas are being demolished over the heads of their inhabitants in Lebanon and Gaza! Then they issue statements and utter words that disgust and nauseate the listener! While the armies are crouching in their barracks with all their equipment, they are prevented from playing their genuine role! Rather, they order them to suppress the people and prevent them from approaching the borders, instead of ordering them to fight the Jews!

In this shameful and negligent reality, the Jews find plenty of time to commit the most heinous massacres, create a tragic state of displacement, and then target the people who have been displaced inland to Sidon, Beirut, the mountains, and northern Lebanon... and then pursue these displaced people and their gatherings in the various displacement areas, bombing apartments and destroying buildings to the ground, under the pretext that among these people are wanted leaders of the Iran's party in Lebanon. Children and women are killed, and families are being wiped out, and the people of the host areas that are supposed to be safe areas for displacement are exterminated! This reveals the existence of a malicious plan by the Jewish entity that aims to create internal sectarian and religious strife (fitneh) in the country by spreading a situation of discord and internal conflict between the displaced and the general public in Lebanon, and by creating a state of fear of hosting the displaced and performing the required duty towards them! This leads to sectarian conflicts and disputes that the Jewish entity wants, and it sees that these conflicts contribute to striking the country on their borders, fragmenting it, and weakening it on top of what is already weak.

O People of Lebanon in general, and O Muslims in Lebanon in particular: We, in **Hizb ut Tahrir / Wilayah Lebanon**, hasten to warn against following what the Jews wants. You have experienced for many years how the enemies of this Ummah from the West, the Jews, and the agent rulers lived off the disputes amongst you before, and they still do! We remind you that one of the greatest acts of kindness is to help the distressed. And who is more distressed than one whose home has been destroyed, whose family has been killed, and whose wealth has been squandered from our displaced people... by whom? By your worst enemies, the Jews?! Al-Bukhari and Muslim narrated on the authority of Abu Musa al-Ash'ari that the Messenger of Allah (peace and blessings of Allah be upon him) said: «عَلَى كُلِّ مُسْلِمٍ صَدَقَةٌ، قَالَ: أَفَرَأَيْتَ إِنْ لَمْ يَجِدْ؟ قَالَ: يَعْمَلُ بِيَدِهِ فَيَنْفَعُ نَفْسَهُ وَيَتَصَدَّقُ، قَالَ: أَفَرَأَيْتَ إِنْ لَمْ يَسْتَطِعْ أَنْ يَفْعَلَ؟ قَالَ: يُعِينُ ذَا الْحَاجَةِ الْمَلْهُوفَ، قَالَ: أَفَرَأَيْتَ إِنْ لَمْ يَفْعَلْ؟ قَالَ: يَأْمُرُ بِأَخِيهِ، أَوْ بِالْعَدْلِ، قَالَ: أَفَرَأَيْتَ إِنْ لَمْ يَسْتَطِعْ أَنْ يَفْعَلَ؟ قَالَ: يُمْسِكُ عَنِ الشَّرِّ، فَإِنَّهُ لَهُ صَدَقَةٌ.» **“Every Muslim must give charity.”** He said: **“What if he does not find anything?”** He said: **“He works with his hand, thus benefiting himself and giving in charity.”** He said: **“What if he is unable to do so?”** He said: **“He helps the needy and distressed.”** He said: **“What if he cannot do so?”** He said: **“He enjoins good or justice.”** He said: **“What if he is unable to do so?”** He said: **“He refrains from evil, for that is charity for him ”** So beware of falling into the trap that the Jews are setting for you, by making your issue with our displaced brothers instead of with the criminal Jews and those who provided them with weapons and equipment, but with the Lebanese authority that is begging for the implementation of international resolutions, the result of which is nothing but normalization with the Jews, which consolidates the foundations of the existence of this usurping, treacherous entity in the region, this entity that neither it nor the West behind it respects you with any pact or covenant. Allah Almighty says: لَا يَرْفُقُونَ فِي مَوْمِنٍ إِلَّا وَلَا ذِمَّةً ﴿١٠﴾ وَأُولَئِكَ هُمُ الْمُعْتَدُونَ ﴿١١﴾ **“They do not honor the bonds of kinship or treaties with the believers. It is they who are the transgressors.”** [TMQ At-Tawba:10].
