

Who is There for the Prophet's Site of Isra Other than You, O Ummah of the Prophet (saw) to Purify it from the Filth of the Jews and the Aggression of their Fools

(Translated)

On the morning of Thursday, 26/12/2024, the criminal Ben-Gvir stormed Al-Aqsa Mosque and performed his "Jewish prayers" in its courtyards, coinciding with the Jewish holidays. He said "...to pray for the safety of our soldiers...and total victory...", in a blatant challenge to the Islamic Ummah and its armies.

Muslims do not enter Al-Aqsa Mosque except with the permission of the Jews, and today it has become a synagogue for the Jews in which they perform their prayers, so what dignity do you have left, O Muslim armies in Jordan, Egypt, Pakistan and Turkey?! What pride do you have left?!

Those who have incurred wrath (from Allah) follow crime with crime, shedding blood, demolishing homes, killing tens of thousands, burning mosques, desecrating the first of the two Qiblahs and the second of the two mosques. They combine destruction with blood, violating sanctities with desecrating sacred places. Then, violating the belief of all Muslims by desecrating the site of Isra of their Prophet (saw). **So where is the fervour of men and the protectiveness of believers?!**

The Jew's fool "Ben-Gvir", with his repeated raids on Al-Aqsa Mosque, is spitting in the faces of the regimes of normalization, submission and inaction, especially those who have "custodianship" over Al-Aqsa Mosque from the Jordanian regime, as he tramples time and time again on their "alleged" custodianship and their "nonexistent" dignity before trampling on the mosque's floor and courtyards. After all of this, none of them moved a finger. He also exposes the shame of the authority of shame, the Palestinian Authority, when he performs his rituals and practices his rampage in the courtyards of Al-Aqsa Mosque while it is waging its battle on behalf of the Jews in Jenin and its camp, and declaring its war against Palestine and its people, whose wounds are still bleeding and whose blood is flowing in the fires of the criminal Jewish entity.

O officers and soldiers, O Muslims in general and in the vicinity of the blessed land and the environs of the Bait Al-Maqdis in particular:

Is there no one among you in whom volcanoes of pride erupt and who supports Allah and His Messenger?! The right to support your brothers whose blood is being shed in the Blessed Land has been united upon you along with the duty to support your Aqeedah (creed) and purify the site of Isra of your Prophet (saw). The Jews, who had previously incurred the wrath of Allah, have now brought upon themselves all the reasons for the fulfillment of the promise of Allah (swt) on them, to destroy them, for they have killed and wronged. **“Those are the societies We destroyed when they persisted in wrong,¹ and We had set a time for their destruction”** [Al-Kahf: 59].

And they spread corruption on earth, and Allah does not love corrupters. They destroyed and burned the mosques, and prevented the remembrance of Allah's name in them. But this promise of the destruction of the oppressors and the victory of the believers is only linked to the servants of Allah who are of great strength. So be the servants of Allah who are promised victory and liberation. **“And when the second warning would come to pass, your enemies would be left to totally disgrace you and enter that place of worship as they entered it the first time, and utterly destroy whatever would fall into their hands”** [Al-Isra: 7]

O Allah, let us convey this goodness, and open the hearts of Muslims to it and by it, and grant us from You a supporting authority, and praise be to Allah, Lord of the Worlds.
