

The Liberation of Prisoners and Al-Aqsa (*Masra*) is by Uprooting the Jewish Entity

And to Fall into the Arms of Colonialism and its Projects is a Disappointment to the Prisoners and a Forsaking of Sanctities

(Translated)

Since eighteen days, the prisoners in the prisons of the brutal Jewish occupation have begun, and are still in, a hunger strike to get some of their rights and dignity. The strike escalated and expanded in light of the silence of the Palestinian Authority and the regimes and their disinterest except when they mislead public opinion through empty statements and appeals to the so-called international community and human rights institutions.

The Palestinian Authority (PA), the PLO, the rulers of the Muslims and the West behind them are practicing the worst forms of deception and covering up in all matters relating to the solution of the question of Palestine. They cover up the real solutions that lead to solving the problem correctly and radically, and are keen to keep the attention and proposals far from the real solution leading to its end. **The issue of the prisoners is a symptom of a larger issue and it is a branch of the basic problem of the occupation of Palestine by the criminal entity of the Jews.** The problem of the prisoners is the problem of Al-Aqsa Mosque, the arrogance of the Jews, the problem of the refugees, the siege of Gaza and the spread of the settlers which is exactly the problem of Palestine, namely the occupation, and it has one solution not two; it is by the return of Palestine to the arms of its Islamic Ummah, the two billion Muslim Ummah, and by the marching of the armies to uproot the Jewish entity from this Blessed Land. This is the message the voices must chant the loudest and call for, thus, Palestine, the prisoners and Al Aqsa will be liberated. The appeals to the United Nations, the United States and the international powers to intervene to save the prisoners are misleading and futile thinking and action.

The liberation of Palestine and its people, whether inside prisons or those who are outside, will be only by Islam by moving the Ummah and its armies in response to the command of Allah. ﴿وَإِنْ اسْتَنْصَرُوكُمْ فِي الدِّينِ فَعَلَيْكُمُ النَّصْرُ﴾ **“And if they seek help of you for the religion, then you must help”** [Al-Anfal: 72].

And His (swt) saying: ﴿وَأَخْرِجُوهُمْ مِنْ حَيْثُ أَخْرَجُوكُمْ﴾ **“...and expel them from wherever they have expelled you”** [Al-Baqara: 191].

And the saying of the Messenger of Allah (saw): «فكوا العاني» **“Free the prisoner”**.

So, legions of soldiers will move towards Palestine and uproot all those who stand in their way from the treacherous regimes and eliminate the entity of Jews for good.

Therefore, the people of Palestine and the factions should turn and address the Islamic Ummah and its armies in order to move them and incite in them the protectiveness of their Deen so that they move and answer the call, not to call the colonialist countries, America, Britain, Russia and France, which conquered the Muslim

countries, and are fighting our *deen* and killing our sons and women, and which established the Jewish entity on our land and are still protecting it.

O our People in the Blessed Land - Palestine:

What extended the occupation of Palestine and confined the prisoners in their prisons are the absence of Islam, the conspiracy of the criminal rulers, and the leaving of our cause in the hands of the colonial powers and the international resolutions; those resolutions that legitimized the existence of occupation and usurped of the Blessed Land with a full cover up of the great colonial states.

The PLO and its authority that cry for the prisoners have stabbed and betrayed them more than once as they did to Palestine. Aren't the recognition of the entity of the Jews and the security coordination with the occupation a stabbing and betrayal to the prisoners? Isn't the security coordination a reason that increased the number of prisoners under the Jews? Is it not a crime to arrest and pursue those who mobilize the Muslims to establish Khilafah; the Khilafah that has never kept silent over the capture of a man or a woman, but the Khalifs (caliphs) liberated them, like what Al-Mu'tasim did when he answered the call of a captive Muslim woman, as did Al-Mansur when he did not descend from his horse until he liberated the captive son of an old woman although he just came back from a battle? Aren't their arrest and pursuit a stabbing and betrayal to the people of Palestine? Isn't insisting on continuing to mislead the people from the real solution that liberates Palestine a conspiracy against Palestine, its people and its Aqsa?

Yes, our cause is Islam and implementing its laws in ruling, and the detachment from the Kuffar and their agents. The liberation of the prisoners is inseparable from the liberation of Al-Aqsa and the removal of the occupation, and our way to liberation is through our Deen and our Ummah, our armies and the establishment of the righteous Khilafah on the method of Prophethood.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَطِيعُوا الَّذِينَ كَفَرُوا يَرُدُّوكُمْ عَلَىٰ أَعْقَابِكُمْ فَتَنْقَلِبُوا خَاسِرِينَ * بَلِ اللَّهُ مَوْلَاكُمْ وَهُوَ خَيْرُ النَّاصِرِينَ﴾

“O you who have believed, if you obey those who disbelieve, they will turn you back on your heels, and you will [then] become losers. But Allah is your protector, and He is the best of helpers” [Al-i-Imran: 149-150].
