

**Authority of Compromise, Negligence, Corruption and Security Coordination  
Confirms its Alignment with the Disbelievers who Fight Islam and are  
Hostile to the Great Khilafah Project**

(Translated)

On Saturday 21/4/2018, the oppressive Palestinian Authority (PA) carried out criminal procedures, including setting up checkpoints, searching and mobilizing its forces at the entrances to Ramallah, as well as its internal streets, the entrances that lead to Hebron, Bethlehem, Salfit, Jenin, Qalqilya and other cities. The PA barriers reached places where they can only be reached with the prior coordination and authorization of the occupation and transformed the perimeter of the Great Mosque of Al-Bireh and the center of Ramallah into a military barracks where various repressive forces were mobilized. All these measures were taken to prevent a demonstration called by Hizb ut Tahrir in Ramallah **to commemorate the anniversary of the destruction of the Khilafah under the slogan “Khilafah Restores the Ummah's Dignity and Al-Quds Status”**.

This was preceded by an attack by the PA and its security forces to prevent a demonstration in Jenin on Saturday 14/4/2018. They surrounded the grand Mosque of Jenin and did not respect the sanctity of the House of Allah, and attacked worshipers and people with batons, tear gas, pepper spray, and arrest. In Hebron (Al-Khalil), despite the atmosphere of intimidation created by the PA to prevent the march, thousands of people in Hebron and its surroundings and Ahl Hal wal Aqd (its people of authority and representatives) have come out shouting Takbeer and called upon the Islamic Ummah and its armies to establish the Khilafah (Caliphate) and liberate Al-Aqsa. And while people were leaving, the Dayton forces threw gas bombs on adults, children, elders and dignitaries of the city, the assault of the rascal, as it is said!

**O People in the Blessed Land Palestine:**

**What is it that the servile Authority and its masters fear in these marches to mobilize these crowds to prevent them?!**

The call for the Islamic Ummah and its armies to establish the Khilafah, which eradicates the Jewish entity from its roots, is now finding great acceptance and support among the Muslims in Palestine and in the countries of the Islamic world, and it is forming a general opinion that dominates over all the treacherous projects aimed at the liquidation of the Palestinian issue, for it is the only legitimate way capable of liberating Palestine, which the colonial powers made great efforts to distract the Muslims and the people of Palestine from it. Thus, the call of the people of Palestine for the support of their Ummah to establish the Deen and liberate al-Aqsa is a blow to all the treacherous projects designed to install the Jewish entity, so they pushed the PA, their security arm, to carry out a crime that it cannot justify even to the members of its security apparatus, who could not comprehend the cause of this high alert by the PA.

The PA has confirmed the fact that it is a security arm of the Jews, and that its primary function is to guard and protect the interests of the Jews and the colonization in the country, and that it does possess nothing in the matter. The people of Palestine know the truth of the PA security devices that they see them hiding in their holes in front of the occupation invasions. The occupation army kills and arrests, and destroys houses and confiscates

land, and settlers attack mosques and burn them but we do not see these huge crowds of those devices moving or moved by a grain of chivalry within them.

This crime is not strange for an authority that gave up most of Palestine to the Jews, and its president calls in every gathering to divide Al-Quds and install Jews in the western part of it. It is not strange for it to fight the idea of the Khilafah that will liberate Palestine and make the Jewish entity a relic.

It is not strange for it this crime, since it is doing everything it can to distant the children of Muslims from their Deen through educational curricula supervised by the colonial powers, and through "extracurricular" activities aimed at obliterating the values of Islam and corrupting morals from dancing, singing, acting and mixing, and above this is its sponsorship and organization of dance festivals and infidelity marathons.

### **O our people in the Blessed Land:**

The PA, when fighting the Dawah for Khilafah, it fights it to bring itself closer to the enemies of Islam, America and the Kafir West, and with them the Jews who are anticipating the return of the Khilafah, and the PA has forgotten that America might cancel its presence with a pen or a century's deal. And that the greatest hope of the Jews, who it inclines to, is the survival of their state for years.

**In conclusion:** We say to the PA and those behind it that their crimes against the Muslims will not pass without accountability, and Hizb ut Tahrir will continue on its path to establish the Khilafah and the application of Allah's law and will not stand in its face all the forces of the earth, with Allah's permission. For the mill of Islam will go round and the Ummah of Muhammad (saw) and will rise from its setback despite the deception and the malice of the disbelievers, The Almighty says: ﴿يُرِيدُونَ أَنْ يُطْفِئُوا نُورَ اللَّهِ بِأَفْوَاهِهِمْ وَيَأْبَى اللَّهُ إِلَّا أَنْ يُتِمَّ نُورَهُ﴾ **"They want to extinguish the light of Allah with their mouths, but Allah refuses except to perfect His light, although the disbelievers dislike it.\* It is He Who has sent His Messenger (Muhammad SAW) with guidance and the religion of truth (Islam), to make it superior over all religions even though the Mushrikun (polytheists, pagans, idolaters, disbelievers in the Oneness of Allah) hate (it)" [At-Tawbah 32-33].**

Our call is the call of Truth and it will achieve its purpose with the permission of its Lord and His care and sponsorship, and Allah will disgrace the disbelievers and the hypocrites. And the Khilafah will stand up and Allah will give victory for His Deen and will raise its banner soon InshaAllah.

﴿لِيُحَقِّقَ الْحَقَّ وَيَبْطِلَ الْبَاطِلَ وَلَوْ كَرِهَ الْمُجْرِمُونَ﴾

**"That He should establish the truth and abolish falsehood, even if the criminals disliked it." [Al-Anfal: 8]**
