

Neither the Parliamentary System Nor the Presidential System will Revive Turkey but it is the Righteous Khilafah System that will

(Translated)

Yesterday the President of the Republic approved the law that allows constitutional changes after fierce debate and intense conflict in the General Committee of the Council. Work will begin to conduct a national referendum regarding it after its publication in the official newspaper, and it is likely to be held next April 16.

O Muslims!

What the authority wants to say is: no to the rotten English parliamentary system, and yes the American presidential system! And that the parliamentary system has served the English rather than the people... and that the presidential system following the American model will serve the people... this is what the authority wants to say! But the truth is that the system, which is intended to be introduced does not take into account the doctrine of the Muslims or their interests and values, but it takes into account the interests and America's influence!

Thus it is contrary to the lies propagated by the rulers. This new system does not eliminate the incidents of terrorism and does not solve the economic problems, and does not settle the problems afflicting society. The presidential system desired by the authority is like the previous parliamentary system, these two systems emanate from the capitalist ideology, this is like changing bad hats; wear a hat and toss a hat!

O Muslims!

The presidential system and the parliamentary system are the same; two corrupt systems and completely contrary to the Islamic creed. Both are based on secularism and democracy. They are two systems based on Kufr ideas that are contrary to the Islamic creed, the secular Kufr system is the separating of religion from life, and democracy is a Kufr system that makes man sovereign not the Creator of man.

Islam described man-made system in which humans put the rules and laws according to their whims and minds, as the rule of ignorance. Allah (swt) asked the Muslims to reject the rule of ignorance and asked them to judge by what Allah has revealed. Allah (swt) says:

﴿وَأَنِ احْكُم بَيْنَهُم بِمَا أَنْزَلَ اللَّهُ وَلَا تَتَّبِعْ أَهْوَاءَهُمْ﴾

“And judge, [O Muhammad], between them by what Allah has revealed and do not follow their inclinations” [Al-Ma’ida: 49]

And He (swt) says:

﴿أَفَحُكْمَ الْجَاهِلِيَّةِ يَبْغُونَ وَمَنْ أَحْسَنُ مِنَ اللَّهِ حُكْمًا لِقَوْمٍ يُوقِنُونَ﴾

“Then is it the judgment of [the time of] ignorance they desire? But who is better than Allah in judgment for a people who are certain [in faith]” [Al-Ma’ida: 50]

O Rulers!

Islam is innate within the people, they are Muslims and have carried the banner of Islam for hundreds of years and tasted the glory of Islam. The people have resisted the Kufr systems that controlled them for almost a century and they fought against them, they yearn for the Islamic rule through a righteous Khilafah. If that is the case; then why do you defend the republican system and stand distanced from the Khilafah system?! And why do you go round and around the Western regimes rather than going back to your origin? Why do you fool the Muslims with dazzling words?! Note that what you're doing only extend the life of the Kufr democratic regime and you stand on the way of the people's movement towards the Khilafah system. So why do you fool the people with the dazzling words which are forged and fake?! Know that you are only fooling yourselves!

O rulers!

How long you will keep on running behind the evil and reject the good?! How long will you continue to apply the patched up Western origin constitutions instead of ruling by what Allah has revealed?! Do you think by doing this you will get the glory: by following the Kufr systems of the colonial countries?! No, by Allah you will not! You will not attain the glory by following their systems, Allah (swt) says:

﴿وَلِلَّهِ الْعِزَّةُ وَلِرَسُولِهِ وَلِلْمُؤْمِنِينَ﴾

“And to Allah belongs [all] honor, and to His Messenger, and to the believers” [Al-Munafiqun: 8]

O Muslims!

Be aware of your rulers who are skilled in concealing the evil. Do not accept the rotten English parliamentary system that was imposed on you, nor its like, the American presidential system. Be aware of the false promises that are beautified to deceive you. Do not accept the non-Islamic systems and constitutions, because they are imported from Western countries, and they are the constitutions of Kufr democracy and secularism that contradict the Islamic system, which do not contain correct solutions that the revival to the Muslims. You must denounce them and work for the establishment of the Islamic ruling system: the righteous Khilafah and its constitution that is based on *Wahi* - Divine Revelation - only. And support those who are working for it, it is the true salvation and the correct revival.

﴿وَالَّذِينَ اجْتَنَبُوا الطَّاغُوتَ أَنْ يَعْبُدُوهَا وَأَنَابُوا إِلَى اللَّهِ لَهُمُ الْبُشْرَىٰ فَبَشِّرْ عِبَادِ﴾

“But those who have avoided Taghut, lest they worship it, and turned back to Allah - for them are good tidings. So give good tidings to My servants” [Az-Zumar: 17]
