

Press Release**Eden College Chhatra League Leaders are the Fruits of the Poison Tree
of Secularism Nurtured by Hasina Government**

The entire nation is shocked by allegations against the top female leaders of Eden College Chhatra League, student wing of the ruling party, Awami League. Their party activists have claimed in front of the media that their leaders record naked videos of women activists of their organization, sexually harass them and force them to entertain the central leaders of the organization. The scandalous sex trade of Chhatra League leaders has tarnished the image of this reputed educational institution in the capital and stigmatized more than 35,000 of the general female students. This is already a proven fact that Sheikh Hasina's Chhatra League is now an organization of rapists and sexual predators. But these criminals cannot be viewed as isolated from Hasina's secular Capitalist regime. They are the poisoned fruit of the secular Capitalist tree planted and nurtured by Sheikh Hasina. For years, Hasina government has been pushing for a general shift of our society toward adopting Western liberal values. Hasina government has allowed the spread of the destructive Western culture of free sex, adultery and promiscuity in dramas, movies, web series, and cultural arenas in order to establish a liberal attitude towards sexuality among the Muslim youth. In the name of so-called liberation, women are being portrayed as symbols of sex in the media. They are being commoditized and used as fuel to create an atmosphere of intense sexual titillation in the entire society. Hasina's regime has been religiously pursuing to corrupt the people by indoctrinating them with the Western consumerist lifestyle. Sensual pleasure is always presented as the highest level of standard for happiness. The government did not stop only by giving liquor and gambling licenses in the country - many Hollywood-Bollywood stars including porn stars like Sunny Leone are being allowed to hold concerts and stage shows in the country one after another ignoring the fierce anger of the country's devout Muslims. 54 youths of the country were sent to a hip-hop and break dance concert and training workshop organized by the US embassy in Dhaka recently to familiarize the Muslim youth with the Western hip hop culture. Besides, with the aim of popularizing the sickening Korean K-pop culture among the youth, K-pop contests and festivals are regularly held in Dhaka. Sheikh Hasina government is importing Hollywood-Bollywood and Korean culture on the one hand while acting as a front-line fighter in the war against Islam on the other hand as Muslims are not allowed to have any gatherings on political and intellectual discussions of Islam across the country.

Imposing secular values has always been the cherished dream of Sheikh Hasina and her father Sheikh Mujib! But the people of this country have rejected the rotten secular values of Sheikh Hasina, even though some have been seduced by the liberal

philosophy of secular ideals. Her continuous crusade against Islam and the facilitation of the terrible invasion of Western culture across the country have not deviated the Islamic Ummah from the noble ideals of Islam. But she has opened the door of destruction for her own party leaders with this decadent Western hedonistic culture. That is why the rampant sexual crimes and abuse cases of ruling party ministers and leaders are revealed one after another. We saw how sexual predators like ex-minister Murad got protection from Hasina and still remain a Member of Parliament (MP) even after threatening to rape an actress! These Eden College Chhatra League leaders carry the legacy of Hasina's other scandalous leaders like Papia and Helena Jahangir who were also born in the same womb of this liberal system nurtured by Hasina.

O Muslims! You should not be only defensive towards the rotten Western secular liberal values imposed by the Hasina government which are destroying the moral infrastructure of our society; but also you should stand against the project of shameless Hasina government in implementing Western cultural aggression by eradicating secular politics along with her Western-backed secular regime that imports impudicity and promiscuity into this country. We call upon you to assume the responsibility of establishing Khilafah Rashidah (rightly guided Caliphate) on the method of Prophethood. The imminent Khilafah will uphold the dignity of women and protect Islamic thoughts and emotions of society as a whole and block all avenues of infiltration of Western culture. Work shoulder to shoulder with the faithful group **Hizb ut Tahrir** to establish the promised second Khilafah Rashidah State before our society and future generations degenerate like the West and become fuel for the fires of hell.

Allah Subhanahu wa ta'ala says,

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا قُوا أَنْفُسَكُمْ وَأَهْلِيكُمْ نَارًا وَقُودُهَا النَّاسُ وَالْحِجَارَةُ﴾

“O you who believe, protect yourselves and your families from the fire whose fuel will be men and stones.” [Surah At-Tahreem: 6].
