Hizb ut Tahrir / Wilayah Bangladesh Invites All Aware People, including Politicians, Intellectuals, Journalists and the Young Generation of the Country to Watch its Online Political Conference Titled “Bangladesh 2.0: Subservience or Liberation?”

Despite the fall of the tyrant Hasina at the cost of many sacrifices of the people, the hopes and aspirations of the people have not been fulfilled. You are witnessing that the US-Britain-India are nakedly interfering in the politics of Bangladesh and conspiring to thwart the aspirations of the people in the uprising. The interim government, the false guardian of the uprising, is deceiving the people in the name of ‘state reform’, ‘constitutional reform’, ‘July Declaration’, ‘July Charter’ and is busy implementing the agenda of the USA. Instead of the fulfilling expectations of the people of the country for ‘New Bangladesh’ (Bangladesh: 2.0), they are currently eager to maintain the continuity of Hasina’s rule. In this context, **Hizb ut Tahrir / Wilayah Bangladesh**, has organized an online political conference titled “**Bangladesh 2.0: Subservience or Liberation?**” to provide guidance to the people to achieve the ultimate goal of the July 24 Uprising. You are invited to watch this conference to gain political awareness and decide what to do at this political juncture in the country. The details of the conference are as follows:
