Protest Rallies and Marches Organized by Hizb ut Tahrir / Wilayah Bangladesh:

O People! Resist the Plan to Deploy our Military to Gaza under Trump's Proposed Force, and Demand a Clear Stance from the Candidates in the Upcoming Election

Hizb ut Tahrir in Wilayah Bangladesh, organized multiple protest rallies and marches today, Friday (16 January 2026), after Jumu'ah prayers, at various mosque premises in Dhaka and Chattogram, against the plan to deploy the country's armed forces to the Trump-proposed "International Stabilization Force" in Gaza. To resist this despicable American plan, and to demand from candidates and political parties in the upcoming elections to clear their stance on this issue, the people chanted various slogans, including: "Trump's force in Gaza — we do not accept it". "Sending troops to Trump's force — People do not accept it". "Leaders who subservient to Trump - People don't want them". "Rulers, servants of America - No more, No more", "Rulers, bow down to the America - No more, No more". "America or Palestine? - Palestine! Palestine!". "The world will be secure - Under the Khilafah". "Palestine will be secure - Under the Khilafah".

The speakers at the protest rallies stated that, despite repeated appeals from the people, the ruling authorities of Bangladesh did not deploy the armed forces to assist Muslims in stopping the genocide carried out by the Jewish entity, which operates with American backing; whereas, at America's behest, they are now planning to send troops to Trump's proposed "International Stabilization Force" — effectively an occupying force in Gaza formed to serve the interests of the Jewish entity. At a time when American aggression—both in Venezuela and across the world—has turned the United States into an enemy of humanity, and when the people of Bangladesh are protesting against Donald Trump's arrogance, the public is rejecting with contempt this reckless decision of the interim government. Becoming a partner in America's plan to expel Muslims from the Blessed land of Palestine and entrench the usurper Jewish entity is a betrayal to Allah (swt) and His Messenger (saw). Allah (swt) says: **لَا يَتَّخِذِ الْمُؤْمِنُونَ الْكَافِرِينَ أَوْلِيَاءَ مِن دُونِ الْمُؤْمِنِينَ وَمَن يَفْعَلْ ذَلِكَ فَلَيْسَ مِنَ اللَّهِ فِي شَيْءٍ** «**Let not believers take disbelievers as allies [i.e., supporters or protectors] rather than believers. And whoever [of you] does that has nothing [i.e., no association] with Allāh**» [Surah Aali-Imran: 28]. Protesting against this betrayal is an Islamic obligation upon Muslims. The people must demand that candidates and parties in the upcoming elections clearly state their position against Western colonial, disbelieving powers. Moreover, political parties and politicians that take the America as allies must be rejected outright.

The speakers, by addressing the Sincere Officers of our Armed Forces, said: It is your duty of iman to liberate the blessed land of Palestine and to reject all military alliances with colonial disbelieving powers. Such alliances compel Muslims to fight under the leadership of disbelieving forces, beneath the banner of Kufr, for the purpose of protecting a Kufr entity—everything about which is haram. Fighting is not permitted for a Muslim except under Muslim leadership and beneath the banner of Islam. Imam Ahmad and an-Nasa'i narrate from Anas (ra) that the Messenger of Allah (saw) said: **لَا تَسْتَضِيئُوا بِنَارِ الْمُشْرِكِينَ** «**Do not take light from the fire of the Polytheists**». In order to keep your blood pure from these wars of disbelief, you must place yourselves under the leadership of the Khilafah and, in order to achieve this objective, you must hand over the authority to Hizb ut Tahrir—the sincere political party working for the establishment of the Khilafah (Caliphate) upon the method of the Prophethood. The forthcoming Khilafah will empower you to repel American aggression, and then your roar alone will be sufficient to protect the Muslims of Palestine and oppressed humanity across the world.

﴿إِنَّ اللَّهَ اشْتَرَى مِنَ الْمُؤْمِنِينَ أَنفُسَهُمْ وَأَمْوَالَهُمْ بِأَنَّهُمْ لَئِن لَّمْ يَكْفُرُوا لَيَكْفُرُوا فِي سَبِيلِ اللَّهِ فَيَقْتُلُونَ وَيُقْتَلُونَ...﴾

“Indeed, Allāh has purchased from the believers their lives and their properties [in exchange] for that they will have Paradise. They fight in the cause of Allāh, so they kill and are killed...” [Surah At-Tawbah: 111]
