

Press Release

Bangladesh's Inclusion in the Saudi-Led Maritime Defense Alliance for US Interests!

Why then can we not lead the Ummah to liberate Al-Masjid Al-Aqsa?

Saudi Arabia has formed a 14-nation maritime alliance to protect shipping in the Red Sea and Bab al-Mandeb Strait, with Bangladesh as a founding member. The move comes as the Houthis group, backed by Iran, has attacked Saudi oil tankers and declared a blockade, while the Strait of Hormuz is effectively closed due to the US-Iran war. Since the war has disrupted global shipping, Washington also has a strong interest in securing this route. This has put Saudi Arabia under pressure to keep Bab al-Mandeb open. In such a context, the rulers of Bangladesh have confirmed their joining of a military alliance led by bin Salman, a key agent of USA.

The USA's evil plan is to change the nature of the war in the Middle East. Currently, it is a war waged by the USA and the Jewish entity against the Muslims of Palestine and Iran. USA wants to change it into a war between the nation states of Muslims, to reduce the pressure upon the armed forces of the Jews and the crusaders. Thus, instead of mobilizing the armies of Muslims to liberate Al-Masjid Al-Aqsa, the rulers of Muslims including Bangladesh are preparing them for a war of Fitnah, in which Muslims fight and kill Muslims.

Foreign Affairs Advisor of Prime Minister, Humaiun Kobir, has stated that Saudi Arabia holds a special role as custodian of the two holy mosques in Makkah and Medina, and that Bangladesh would respond to any Saudi request for security assistance on "moral and ideological grounds" as one of the world's largest Muslim-majority countries. This raises a critical question: where does this alliance stand when the blessed land of Al-Aqsa is attacked, its honor humiliated, and its blessed Muslims are being obliterated? If Bangladesh is willing to send forces to protect U.S interests in the Red Sea, what moral grounds does she have to remain silent when the third holiest site in Islam is under assault?

O Muslims! We must not allow the mujahid armed forces of Bangladesh to be exploited in an American war of Fitnah between Muslims. We must demand, as we have been demanding, that our brave sons in the armed forces of Bangladesh are mobilized for the liberation of Al-Masjid Al-Aqsa and all of Palestine, from the river to the sea. The Messenger of Allah (saw) said, «هَذَا كِتَابٌ مِنْ مُحَمَّدٍ النَّبِيِّ ﷺ بَيْنَ الْمُسْلِمِينَ وَالْمُؤْمِنِينَ مِنْ قُرَيْشٍ وَيَثْرِبَ وَمَنْ تَبِعَهُمْ فَلَحِقَ بِهِمْ وَجَاهَدَ مَعَهُمْ أَنَّهُمْ أُمَّةٌ وَاحِدَةٌ» «This is a pact of the Prophet Muhammad ﷺ between the Muslims and the believers from the tribes of Quraysh and Yathrib, and those under them, waging war in their company. Indeed, they are one Ummah, distinct from all other people.» [Narrated by Al-Bayhaqi in Al-Sunan Al-Kubra]. Indeed, the Ummah is one and its war against the disbelievers is one. How can it be that Muslims fight Muslims, whilst the crusaders and Jews violate our lands, properties and lives?

And why should we not lead the Islamic Ummah out of its current division and defeat? For centuries, we have been an intelligent, brave, principled and dynamic people amongst the peoples of the Islamic Ummah. Our cities of Dhaka and Chittagong were centers of the Jihad against the British occupiers in 1857. By the Grace of Allah (swt), we have always been lovers of Islam and supporters of Muslims. Now is the time for us to establish the Second Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood, which will lead the entire Ummah and its armies in decisive wars against the disbelievers who torment us.
