Father of an activist of Hizb ut Tahrir arrested for not handing over his son to the police thugs; this new venture of Hasina to suppress Hizb ut Tahrir will also be doomed to failure

Tyrant Hasina and the hateful police thugs of her vile regime are leaving no stone unturned to prove themselves as the avowed haters of Islam. To fend off the successful online political conference of **Hizb ut Tahrir**, they detained two dignified women members of the party and brutally tortured them in custody. Just when we thought Hasina's Islam-hating politics could not sink any lower, at the end of last week (Saturday, 26/09/2015) her thugs have arrested the innocent father of an activist of **Hizb ut Tahrir** from Jessore district because the father did not cooperate to hand over his courageous son Rayhan Ahmed to the police. With such state-sponsored terrorism, this evil regime has sunk into an unparalleled level of moral lowness by arresting a father for the truthful activities of his son. And not only have they arrested Mr. Abdus Samad but also charged the respected man under the notorious anti-terror law!

This is now beyond a shadow of a doubt that all these desperate scare tactics against **Hizb ut Tahrir** are being deployed as a result of this trembling regime's failure to spoil the online conference and their growing fear of the rise of the second righteous Khilafah from Bangladesh. Indeed, popular support for the Khilafah in Bangladesh along with influential peoples' active involvement with **Hizb ut Tahrir** is now the biggest headache for this regime. Thus, apart from pulling out these worst scaremongering tactics, the hopeless Detective Branch (DB) of Hasina has also ordered Bangladeshi news media not to cover any positive news on **Hizb ut Tahrir**. These incidents show how terrified this regime has become because of the call and activity of **Hizb ut Tahrir** in Bangladesh. Moreover, the western colonial masters of Hasina are very well aware that their puppets are drastically losing ground with their rotten democratic politics while the call of the Khilafah has already become peoples' demand. Hence, to carry out her imperialist masters' order, the cowardly Hasina has now resorted to harming the women and family members of **Hizb ut Tahrir** in its frantic bid to hang onto power, but like all the previous ones, this new venture of the crusader Hasina is also doomed to failure, bi iznillah. History is the witness that no amount of violence could overpower the sincere workers of the Khilafah. Individuals can be tortured and imprisoned but not the words of Allah Azza Wa Jal being carried by His brave servants. Like all the fallen tyrants of the earth, Sheikh Hasina would also find her shameful place in the history of Bangladesh as a useless tool of the kafir colonialists to stop the march of the blessed party **Hizb ut Tahrir** on its way to re-establish the Khilafah on the path of Prophethood.

Allah (swt) says:

﴿الَّذِينَ قَالَ لَهُمُ النَّاسُ إِنَّ النَّاسَ قَد جَمَعُوا لَكُمْ فَاتَّقِشُوهُمْ فَرَادَهُمْ إِيمَانًا وَقَالُوا حَسْبُنَا اللَّهُ وَنِعْمَ الْوَكِيلُ﴾

“Those unto whom the people said: "Verily, the people have gathered against you (a great army), therefore fear them." But it (only) increased them in Faith and they said: "Allah (Alone) is Sufficient for us and He is the Best Disposer of affairs." [Surah Ali Imran: 173]
