The Message Came, So Where Is the Response?!

(Translated)

America could not tolerate the blow that its protégé and advanced military base, the Jewish entity, received at the hands of the resistance in Gaza on October 7, 2023. In response, it prepared for a new crusade with its colonial allies from NATO and used the Jewish entity to send a message to the Ummah that defied it and undermined its prestige and that of its protégé. America knows for certain that Muslims are one Ummah, and they are like a single body; if one part suffers, the whole body responds with sleeplessness and fever, as described by the Prophet Muhammad (saw). Therefore, America's message was directed to the entire Ummah, not just the resistance. The message was simple: the Ummah or any part of it is not allowed to demand its rights, freedom, or the liberation of its holy sites. Western countries, being colonial powers and a crusading alliance whose campaigns have not ceased since the wars of King Richard to this day, cannot tolerate or accept any people or nation working to free itself from their colonial grip, especially if the people are Muslim and the nation is Islamic Ummah, from Indonesia in the east, passing through the Indian Subcontinent and Arab countries, to North and Central Africa.

In this context, we see that America, the head of Kufr (disbelief) and the leader of the crusading alliance, did not allow the peoples of the so-called Arab Spring revolutions to gain their freedom and break free from the yoke of kufr colonialism. It contained these revolutions, sometimes with deceit, sometimes by changing faces, and sometimes by repression. It used its agents in Muslim countries, from rulers and political circles who were nurtured and raised by it, to thwart these revolutions and ensure that these peoples did not achieve the real change that would overturn their situation, which is represented by changing the puppet regimes in our countries. When it was exhausted by ash-Sham Revolution, which had the awareness of seeking to establish an Islamic State on the ruins of the Ba'athist Nusayri regime, America's agent, it mobilized all its international and regional thugs to crush the revolution by force. It rallied the drunkards in Russia, the Persians in Iran and its party in Lebanon, alongside the Nusayri regime, and lastly the hypocrites in Turkey (the straw that almost broke the camel's back); to send a message to the people of the Sham and the rest of the Ummah that you, the Islamic Ummah, are not allowed to demand liberation from colonial grip and to implement the Shariah of Allah among you. Your lands must remain farms for its beasts and gas stations for its vehicles.

For this reason, America mobilized its crusading alliance and used the Jewish entity to deliver the same message to the Ummah, that it is not permissible for it to "insult" those who are under America and the Western countries and their crusading alliance, to humiliate their dignity, or to harm them in the slightest. Therefore, it supplied the Jewish entity with various types of weapons and equipment, money, and political and media coverage. The Jewish entity, fully supported by the crusading alliance, went on killing, slaughtering, dragging, bombing, and destroying in Gaza. America and the Jewish entity were keen on broadcasting these crimes around the clock on client television screens to ensure the humiliation of the nation, making it watch the criminals kill its children and violate its women, and it is not allowed to support them and save its dear ones. In this way, America "restores" the supposed "prestige" of the monstrous entity, on piles of the bodies of women and children, and makes the Ummah lose confidence in its ability to defend its children, support them, and save them from the hands of monsters, as it made the nation - it thinks - lose confidence in its ability to change the agent regimes in the Arab Spring countries. The continuous atrocities against the people of Gaza and undermining their resistance are only sacrifices to convey this message.

The message has arrived clearly and distinctly, and here America is receiving the biggest criminal, Netanyahu, next week in its house of assembly, the American Congress, to reward him for his evil deeds and to announce the victory of his state over the defenceless women, children, and poorly equipped resistance! But where is the response?! **The response these criminals deserve is to overthrow the thrones of the agent Muslim rulers, the biggest obstacle to the Ummah's unity and liberation from the grip of the kufr West and the defeat of the Jews and the establishment of the second Khilafah Rashidah (rightly-guided Caliphate) on the method upon the Prophethood... The response is what the armies, led by the victorious and triumphant Khilafah of Muslims, will march with to kill the Jews, liberate the blessed Aqsa Mosque, and make America and its crusading alliance forget the whispers of Shaytan.** Therefore, the Ummah must call upon the Muslim armies and hold sit-ins in front of their headquarters and demand them to support Hizb ut Tahrir to establish the Khilafah on the path of the Prophethood. The people of power and protection must respond to this call, break free from the subordination of the agent regimes by overthrowing them, and align themselves with their Deen and their Ummah, and thus they will attain the glory of this world and the bliss of the Hereafter, ﴿لِمِثْلِ هَذَا فَلْيَعْمَلِ الْعَامِلُونَ﴾ **"For the like of this let the workers [on earth] work."** [As-Saffat:61].
