The Children of Palestine Will Be the Opponents of the Ummah and Its Armies on the Day of Judgment if They Do Not Move to Support Them

(Translated)

The 13-year-old girl, Bana Amjad Bakr, was martyred after being shot in the chest by live fire from the occupying forces on the evening of Friday, September 6, 2024, during an attack by settlers, backed by occupation forces, on the village of Qaryut, south of Nablus in the West Bank. The martyr's father stated that his daughter was shot while inside her room at home with her sisters. With the martyrdom of Bana Bakr, the number of martyrs in the West Bank since October 7th has risen to 692, including 159 children, according to data from the Palestinian Ministry of Health.

The Jewish entity and its settlers continue their rampage, committing massacres and brutal assaults against the people of the blessed land in Gaza and the West Bank, sparing neither the elderly nor the young, men or women. No one feels safe anymore, neither inside their homes nor outside. This young girl was struck by the occupation's bullets while inside her own room. This is not surprising from this criminal entity, which has destroyed homes on the heads of women and children in Gaza.

This criminal entity and its settler mobs have continued in their oppression and tyranny because the Islamic Ummah remains still, not rising to liberate the Prophet's (saw) Masrah, to stop the genocide in Gaza, and to lift the oppression from the people of the blessed land. The Islamic Ummah continues to watch these brutal crimes without taking action to remove the obstacles preventing them from supporting their oppressed brothers. These obstacles include the client rulers, especially those of Egypt and Jordan, who have conspired with this criminal entity, protected its borders, and shackled the Ummah and its armies from rising to support their brothers and sisters. The Ummah must move immediately to remove these rulers and open the artificial borders established by the colonizers and their masters to divide and sever the Islamic Ummah. After all, the Prophet (saw) described the Ummah as one body, and when any part of it suffers, the entire body responds with sleeplessness and fever.

They have persisted in their oppression and tyranny because the armies of the Muslims have not disavowed the treacherous rulers and aligned themselves with their Ummah, thus earning the pleasure of Allah, supporting their brothers and sisters, and eliminating this criminal entity. If not now, when will the sincere in these armies rise up? How can they live peacefully while their brothers and sisters suffer, knowing they have the power to support them and lift the oppression from them?

O Ummah of Islam, and particularly those with strength and power: If you do not topple these thrones and move these armies, then this child, along with all the other children who have fallen victim to the brutality of this criminal entity, will stand as your accusers on Yawm Al-Qiyamah (the Day of Judgment). They will cry out, "Ya Rab, the Ummah of Islam and its armies abandoned us." On that day, there will be no refuge or escape from Allah's punishment. So save yourselves, fulfill your Shari' duty, and attain the honor of this life and the Akhirah. By your hands, Allah's promise of succession and empowerment will be fulfilled, along with the glad tidings of the Prophet (saw) that the Jews will be fought, and the Blessed Land will be liberated.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered.” [Al-Anfal:24].
