

Obituary of a Dawah Carrier

(Translated)

On this past evening night, one of the men of Islam and Muslims and one of the Shabab of Hizb ut Tahrir from the first generation in Libya, **Engineer Ali Muhammad Al-Kajiji**, has departed to be with his Lord. We ask Allah to have mercy on him and grant him Paradise. Following his companions: Muhammad Muhadhab Hafaf, Hassan Kurdi, Abdullah Al-Maslati, Abdul Rahman Bayoud, Saleh Al-Nawwal, Khalifa Al-Kumaishi, Abdullah Hamouda, Majid Al-Qudsi, Amr Al-Nami, Muhammad Omar Al-Naas and many others, who did not change or alter the Deen of Allah and did not trade with it a price from the prices of this transient world. We do not praise them before Allah, for He is the Knower of secrets and souls.

May Allah have mercy on him, he was one of those who stood up to the tyrant and were not tempted by this world which is in the hand of Allah and not in the hand of any of His creation. His words remain when he confronted one of the collaborators of the greatest tyrant who asked him - and he came to release him from prison after trying to dissuade him from his divine convictions - and had spent 15 years in prison: Have you changed your mind, Kajiji? He replied: You are not from the people of opinion so that I can discuss with you. So he remained with his companions for another 15 years which were written in the Lawh Al-Mahfudh (Preserved Tablet).

Inna lillahi wa inna ilayhi raji'un, Only Allah is eternal and we will all depart. May Allah have mercy on him and grant him a spacious abode in Paradise and gather him with his loved ones and companions at the *Hawdh* in the presence of the Mustafa, may Allah bless him and grant him peace, and grant his family, relatives and loved ones the patience and solace and compensate us and them with goodness in his life.
