

Press Release

Rulers of the Arabian Peninsula Compete in Corruption and Loyalty to the Enemies of the Ummah!

(Translated)

A few days ago, the rulers of the Emirates boasted about their great mobilization to reach the killers of the Jewish Rabbi, Zvi Kogan, on their lands, and praised the vigilance of the security services and the speed of their procedures that contributed to uncovering the incident, after all these services worked around the clock, according to what was stated in the statement of the Ministry of Interior. Meanwhile, the Emirates and its Ministry of Defense did not mobilize to support more than 44 thousand martyrs and 104 thousand wounded in Gaza, even though their killer is known and does not need an investigation or the vigilance of the security services to reach him.

Not even a few days had passed since the crime of the Al Saud rulers against the Blessed Land and the land of the Two Sacred Mosques, when they brought in singers and models as part of the Riyadh Season 2024 events to appear on stage naked, without the slightest shame or embarrassment before Allah or the people of Gaza and Lebanon, and without the slightest consideration for the screams of the bereaved, the groans of children, the tens of thousands of martyrs and the piles of rubble.

These two incidents are just the tip of the iceberg of the corruption of the rulers of the Arabian Peninsula, which has been ongoing for decades and has accelerated in recent years in a striking and impudent manner.

For years, the rulers of the Emirates have openly opened the door wide to normalization with the Jewish entity, and opened the country to the usurping Jews and built places of worship for them in the Arabian Peninsula. They were among the most prominent signatories to the Abraham Accords, which aim to undermine Islam and corrupt the religion for Muslims. They continue to offer their services to America and the Jews to implement the post-war plan in Gaza, which aims to ensure that Muslims do not rise up there.

The same is true of the Al Saud rulers who are racing against time to introduce corruption and debauchery into the land of the Two Sacred Mosques, by organizing obscene and vice activities. They are so determined to spread obscenity that they have created an entire organization that spends billions of riyals annually, which they call the Entertainment Authority. This organization hosts male and female singers to sing songs of blasphemy and obscenity in noisy, mixed dancing parties, and organizes various events under the name of competitions, the goal of which is for women to appear naked, and for men to mix with women. Recently, we have seen how the Al Saud rulers openly declare their readiness for full normalization with the Jewish entity in exchange for its approval to establish a weak Palestinian statelet on less than a quarter of the area of Palestine.

Since the Islamic Ummah has had enough of these Ruwaybida (incompetent ignorant) rulers and their treachery and crimes, it must hasten to get rid of them and their evil and corruption. We single out the sincere people of power and protection, so that they may quickly rush to fulfill the hopes of their Ummah in freeing it from the torment, corruption and hardship which the rulers have brought it. Allah (swt) says: **يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ** **وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ ﴿٢٤﴾** **“O believers! Respond to Allah and His Messenger when he calls you to that which gives you life. And know that Allah stands between a person and their heart, and that to Him you will all be gathered” [Al-Anfal: 24].**
