The Jewish Army is Rampaging and Bombing Muslim Cities While their Armies Remain Stationed in their Barracks!!

(Translated)

The Jewish entity launched violent strikes on the port of Hodeidah and a cement factory in the Yemeni coastal province on the Red Sea on Monday evening, in response to the recent Houthi missile attack on Ben Gurion Airport. The Jews boasted that more than 30 aircraft participated in the attack, that their fighter jets launched at least eight raids, and that 50 bombs were dropped on the port of Hodeidah and its surroundings. Then, within less than 24 hours, the Jewish air force attacked Yemen for the second time, targeting the runways and control tower at Sana'a Airport, a power station, fuel tanks, and a factory in another area, causing the Sana'a Airport to shut down.

Thus, the Jewish army rampages through the region, its planes roaming the skies of the entire region, bombing Syria, Lebanon and Yemen, causing casualties and destroying property. The Jews boast about this and do not hide it, striving to ensure their security and restore their prestige that was shattered at the hands of the mujahideen of Gaza, and to have sole control over Gaza without anything interfering with their massacres and plans that may last a long time, in the hope of realizing their dreams of displacing its people and subjugating its mujahideen.

All of this is happening with the green light from America, with the weapons and money it supplies them, and with the complete complicity of the region's rulers who open our airspace to Jewish planes to roam and strut their criminality without lifting a finger to stop them. While we see them mobilizing all their energies to intercept the missiles that cross their airspace towards the Jewish entity!

The greatest calamity lies in the position of the Muslim armies, which are the hope of the Ummah and the focus of its attention. They remain stationed in their barracks while they see with their own eyes how a small group of Jews, who are not people of fighting or war, are killing their brothers and sisters in Gaza, bombing the capitals of their countries in the Ash-Sham, Lebanon and Yemen, and wreaking havoc across the entire region, yet they do not move!

Supporting Palestine, Ash-Sham, Yemen and all Muslim countries, and ridding them of the malignant cancer, the Jewish entity, that is trying to take hold and spread in the body of the Ummah, is the duty of the Ummah's armies, soldiers, officers and generals. The Jewish entity will not be stopped from its evils and crimes except by the movement of the Ummah's armies. So, for the support of your Deen, your Ummah, your people and your country we call you, O officers and generals. Allah (swt) says: **إِلَّا تَتَفَرَّوْا يُعَذِّبْكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلْ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّوهُ شَيْئًا وَاللَّهُ عَلَىٰ كُلِّ شَيْءٍ قَدِيرٌ ﴿١٠٠﴾** **"If you do not march forth, He will afflict you with a painful torment and replace you with other people. You are not harming Him in the least. And Allah is Most Capable of everything" [At-Tawbah: 39].**
