The Jewish Entity is a Mouse Pretending to Possess a Lion's Power, its Tyranny and Boldness are due to the Traitorous Muslim Rulers

(Translated)

At dawn on Friday, 13/6/2025, the Jewish entity launched a surprise attack on Iran, targeting nuclear sites and military headquarters, resulting in the deaths of several military and security leaders, in addition to nuclear scientists.

This attack comes at a time when Iran has been conducting negotiations with the United States for two months regarding its nuclear program, and in the shadow of a continuing threat from the Jewish entity. Yet, Iran has not taken any precautionary measures to prevent the Jewish entity from achieving its goals and carrying out its threats!!

Iran should have taken precautions after the humiliation and insult suffered by the Jewish entity in Operation Flood of Al-Aqsa. It targeted its party in Lebanon, destroying its strongholds and assassinating its leaders one by one. Yet, Iran did nothing. This operation was followed by targeting it in Syria, forcing it, in humiliation, out of the country, until it was invaded in its own home and suffered the same fate as its party in Iran.

Iran possesses numerous options and superior capabilities. It is not an easy target, having managed to deliver relatively effective blows to the Jewish entity. However, its problem lies with its leadership. If it had been a loyal leadership, it would have harnessed these capabilities and taken the initiative to strike the entity and uproot it from its roots since the launch of Operation Al-Aqsa Flood. But it did not do so. Instead, it left Gaza, Lebanon, and later Yemen prey to the Jewish criminality until it was too late, and there was no time for regret. It was content to be a pawn in the kaffir's plans to impose the Jewish entity as a reality on the ground in the heart of Muslim lands.

O Muslims: What fills the heart with regret and pain is this bitter reality that the Islamic Ummah is going through. This pariah entity, upon whose people Allah has afflicted humiliation and poverty, is rampant, threatening, waging unruly violence, killing and displacing Muslims. In return, we have not seen anyone truly working to uproot it, despite our knowledge and its knowledge that it is a weak entity and a paper tiger. The Jews are the most cowardly of Allah's creation. Whoever sees it today after being exposed to the Iranian response and the missile strikes that targeted Tel Aviv and other places, fully realizes the extent of its weakness. Here it is begging America, pleading with it and trying to trick it into dragging it into the battle through direct intervention to extract it from the new quagmire in which it has plunged itself, after it realized its inability to resolve the battle.

O Muslims: The boldness of the Jewish entity is a false one, the kaffir West dressed it up with it and it is preserved by the treacherous rulers of the Muslims, the puppet rulers who have accepted humiliation in exchange for remaining in power. Among these rulers are the rulers of Iran, rulers who have spared no effort in serving the enemies of the Ummah, especially America. They have been humiliating to the kaffir and vengeful to the believers.

O Muslims: O people of power and protection: Know with certainty that you have neither honour nor dignity while you are subjected to the rule of the Ruwaibidha (ignorant insignificant rulers), the enemies of Allah, His Deen, and the believers. Nothing will humiliate your enemy nor remove this pariah entity that usurps land and kills children except the Khilafah (Caliphate), the promise of Allah (swt) and the glad tidings of His Messenger (saw). To the serious work and complying with the commands of Allah (swt), Hizb ut Tahrir calls you, to be supporters of Allah, so that you may demolish these weak thrones and corrupt regimes, establish the Shariah of Allah, liberate the servants and the country, and make the enemies of Allah forget the whispers of Satan. You are the Ummah of goodness and guidance, and you are worthy of that.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ نُحْشَرُونَ﴾

“O believers! Respond to Allah and His Messenger when he calls you to that which gives you life. And know that Allah stands between a person and their heart, and that to Him you will all be gathered” [Al-Anfal: 24]
