

Press Release

Our Lands Will Remain Violated and Our Blood Will Continue to Be Spilled Until We Establish Our Khilafah Rashidah (Rightly Guided Caliphate)

(Translated)

On Sunday, 14 June 2026, the Jewish army carried out an airstrike targeting the southern suburbs of Beirut, only hours after warning residents of approximately 30 towns in southern Lebanon and ordering them to evacuate. The Axios news site reported that “the ‘Israeli’ military notified CENTCOM shortly before the strike in Beirut took place.” Trump wrote on his Truth Social platform on Sunday: “This morning’s attack on Beirut should not have happened, particularly on a special day when we are so close to a Peace Deal with Iran.” He stressed that the United States was very close to reaching an agreement with Tehran and stated that “There should be no more attacks by Israel anywhere in Lebanon, but there should also be no more attacks by any other party, including Hezbollah, against Israel.” At the same time, however, he maintained that “Israel has the right to defend itself.”

These events and statements leave no room for doubt that the Jewish entity is a malignant colonial project for which conciliation and leniency are ineffective. With a green light from America, the head of global disbelief, it continues to occupy southern Lebanon, kill Muslims daily, and bombard homes and buildings. Neither schools nor hospitals are spared. It justifies these actions to itself through a belief that places others outside the bounds of protection. ﴿ذَلِكَ بِأَنَّهُمْ قَالُوا لَيْسَ عَلَيْنَا فِي الْأُمِّيِّينَ سَبِيلٌ وَيَقُولُونَ عَلَى اللَّهِ الْكَذِبَ وَهُمْ يَعْلَمُونَ﴾ **“That is because they say, ‘There is no blame upon us concerning the unlearned.’ And they tell a lie about Allah while they know [it]”** [Surah Aal Imran :75]. America and its president Trump stand behind it in this regard. Jewish officials, including their prime minister, have stated that they enjoy Washington’s support for targeting Beirut’s southern suburbs if Iran’s party in Lebanon attacks population centers in northern occupied Palestine.

Trump is unconcerned, and even welcomes, the occupation of all of Lebanon rather than only its south, and the killing of its people. His primary concern is that such actions should not interfere with negotiations with Iran. This explains the contradiction in his statements: expressing mild opposition to the bombing of Beirut’s southern suburbs while simultaneously affirming the Jewish entity’s “right to defend itself.” At the same time, Jewish leaders openly declare that they possess full American support for their actions.

Thus, the partnership of America and the Jewish entity continues to exert pressure on one Muslim land after another: Palestine, Syria, Lebanon, Yemen, Iraq, Afghanistan, and Iran. The list continues, and no one knows which country will be targeted next - Egypt and Turkey, as the Zionist entity suggests, or someone else? As long as the Muslim lands remain fragmented and divided, with each ruled by a guardian of colonial interests, they all remain vulnerable to destruction and domination.

The Muslim world would never have suffered such humiliation and weakness had it been united under a single Khilafah (Caliphate) and a single army. America and the colonial Western powers would not have been able to dominate it, nor would the Jewish entity have possessed any significant influence, let alone the ability to isolate and target each Muslim land individually.

The strength of the Muslims lies in their unity, and their honor lies in implementing Islam, and their salvation lies in restoring their authority and pledging allegiance to a Khalifah Rashid (rightly guided Caliph) who reunites them, leads their armies in battles of victory and liberation, places limits on the aggression of America and all colonial powers, and brings an end to the Jewish entity.

﴿وَلِلَّهِ الْعِزَّةُ وَلِرَسُولِهِ وَلِلْمُؤْمِنِينَ وَلَكِنَّ الْمُنَافِقِينَ لَا يَعْلَمُونَ﴾

“But honor belongs to Allah and His Messenger, and to the believers, but the hypocrites do not know.” [Surah Al-Munafiqun :8]
