A Cursed Entity Exterminates Muslims

When Will Armies Hasten to Eradicate it and Support This Deen (Religion)?!

(Translated)

On November 20, 2024, the Palestinian Ministry of Health announced the martyrdom of approximately 70 people and the injury of more than 100 others — in a preliminary toll — following an occupation airstrike targeting a residential neighborhood near Kamal Adwan Hospital in Beit Lahia, north of the Gaza Strip. The Lebanese Ministry of Health also announced on the same evening, Wednesday that “enemy (Israeli) airstrikes on Lebanon on Tuesday resulted in 14 martyrs and 87 injured”. With these casualties, the total number of victims has risen to 3,558 martyrs and 15,123 injured since the beginning of the Zionist entity's aggression on Lebanon, according to the ministry.

It added that the number of women and children victims reached 902 killed and 4,008 injured. Meanwhile, the official Syrian news agency (SANA) reported that Jewish airstrikes targeted several locations in the city of Palmyra, central Syria, on Wednesday, resulting in 36 deaths and over 50 injuries.

From Gaza to Lebanon to Syria, the toll of martyrs continues to rise, revealing a common enemy for the people of these lands and other Muslim countries. A significant number of the martyrs are women and children—innocent lives subjected to horrifying massacres while the world watches in deafening silence, killing every noble value. Martyrs and injured individuals remain trapped, as civil defense teams are unable to rescue them due to the intensity of the bombing. This terrorist entity continues to perpetrate one massacre after another, targeting neighborhoods, schools, markets, and hospitals, annihilating as many innocents as possible without remorse. On the dawn of the 412th day of the war on Gaza, this entity committed yet another massacre, leaving behind 66 martyrs, most of whom were women and children.

Have these massacres failed to stir the honor and zeal of the Ummah's armies for the spilled blood of Muslims across these lands? Do the cries of women, the tears of children, and their desperate pleas not find attentive ears, after being betrayed by cowardly, treacherous rulers? How astonishing that an Ummah chosen by Allah to be the best of nations brought forth for mankind accepts such humiliation and disgrace!

O armies of the Islamic Ummah: Where are you in the face of what is happening to your brothers, sons, and women? Have you accepted humiliation and

allowed sanctities and sacred sites to be violated, enabling this illegitimate entity to destroy your Ummah piece by piece?

O scholars of the Ummah, inheritors of the Prophets: How long will your silence persist regarding the calamities afflicting your people? Is your silence and cowardice not a shame upon you? Have you forgotten that Allah will hold you accountable for abandoning your brothers, or are you merely ignoring it? The genocide being perpetrated by the Jews has even moved non-Muslim scholars to action. How, then, has it not stirred you? A team of 15 scientists, led by Italian geneticist Dr. Paola Manduca, issued an urgent appeal titled "Condemning the Genocide in Gaza and Taking Necessary Actions" to break the global silence regarding the ongoing genocide committed by the criminal entity in Gaza for over a year. The team stated that "medical institutions that remain silent in the face of this situation will remain complicit in the crimes committed in Gaza."

Where are you, O scholars of the Ummah? Shouldn't you be the first to guide your Ummah toward the fundamental solution to eradicate this malignant tumor from its body, so it may heal and reclaim its status as the best nation brought forth for humanity? Will you accept being silent devils?

Shake off the dust of humiliation, let the truth resound across the lands, and instill in your children within the armies the knowledge of their duty toward their faith and Ummah. Teach them to advance fearlessly toward their sacred mission.

The matter is grave, and this terrorist entity will not be stopped by condemnations, protests, or aid. What is required is for armies to rise from their barracks, overthrow their treacherous, complicit rulers, and confront the so-called invincible army face-to-face. The world has witnessed the cowardice and fear of this army before a small group of mujahideen—what, then, would happen if unified armies were to stand against it under one banner?

O scholars of the Islamic Ummah, its armies, and its sincere sons: Allah has promised victory and empowerment. Strive to be among those whom your Rab uses to fulfil this promise, so that you may attain the best of this world and the Akheerah Hereafter and witness the glory of Islam and its people.

﴿مَنْ كَانَ يُرِيدُ الْعِزَّةَ فَلِلَّهِ الْعِزَّةُ جَمِيعًا إِلَيْهِ يَصْعَدُ الْكَلِمُ الطَّيِّبُ وَالْعَمَلُ الصَّالِحُ يَرْفَعُهُ وَالَّذِينَ يَمْكُرُونَ السَّيِّئَاتِ لَهُمْ عَذَابٌ شَدِيدٌ وَمَكْرُ أُولَئِكَ هُوَ يَبُورُ﴾

“Whoever desires honor [through power] - then to Allah belongs all honor. To Him ascends good speech, and righteous work raises it. But they who plot evil deeds will have a severe punishment, and the plotting of those - it will perish.” [Fatir:10].
