

Press Release

Jews Resume the Genocide of Gaza in Ramadan

Will the Ummah Restore It as a Month of Victories and Eliminate Them?!

(Translated)

At dawn on Tuesday, March 18, 2025, the Jewish entity resumed its brutal war of extermination against Gaza with fire belts and insane bombardment involving 120 aircraft. These raids led to the martyrdom of more than 400 people and the injury of more than 500, including very serious cases. According to the Government Media Office in Gaza, 73% of the victims of this aggression were children, women, and the elderly, with 174 children, 89 women, and 32 elderlies among the martyrs.

The people of Gaza experienced a bloody night, as their pre-dawn meal (suhour) on the 18th night of Ramadan was tainted with blood and scattered body parts. Eyes were stunned, and hearts reached their throats due to the brutal crimes of the Jews in Gaza, yet the Ummah and its armies did not move to support them. They were betrayed by the treacherous rulers who are partners in these crimes: Sisi besieges them and tightens the noose, while the King of Jordan, Erdogan, and the rulers of the UAE supply the Jewish army with food, water, and fuel, refusing to allow even a piece of bread to reach the people of Gaza except by Jewish command. Tons of food piled at the borders, much of it spoiled while awaiting entry permit. These rulers hold summits and conferences to conspire against the people of Gaza and seek solutions that might please their master, America.

The people of Gaza's eyes were stunned, and their hearts reached their throats. Women and children cried out for help, but their pleas did not awaken the honor of Muslim officers and soldiers. They perished and returned to their Creator, complaining of the negligence and failure of Muslim armies to support them. No one in the Ummah rose to put the arrogant Trump and the criminal Netanyahu in their place, responding to their boasting and audacity with, "The answer is what you will see, not what you hear." Feeling safe from punishment, they shed sacred blood and devised plans and visions for Gaza's future as if it were their rightful property.

The crimes of the Jews have escalated, yet Muslims have not restored Ramadan as a month of victory (nasr) and distinction (Furqan) between truth and falsehood as it once was. Instead, for two years, it has been a month of killing, crimes, and displacement against the people of Gaza. It has been a month in which the Jews, with a green light from the head of disbelief and crime, America, resumed their brutal war on Gaza, one day after the anniversary of the Battle of Badr, which Allah called the Day of Distinction (Yawm ul-Furqan).

So what is the Ummah and its armies waiting for to act?! Do they not fear that Allah's wrath and punishment will descend upon them?! Do they not fear being replaced?! Do they not know that the One who made prayer, fasting, pilgrimage, and charity obligatory also made the support of their oppressed brothers and sisters obligatory: ﴿وَإِنِ اسْتَنْصَرُوكُمْ فِي الدِّينِ فَعَلَيْكُمُ النَّصْرُ﴾ "And if they seek help of you for the religion, then you must help" [Surat An-Nisa: 72]?

When will the Ummah and its armies overthrow the thrones of treacherous rulers, dismantle the Sykes-Picot borders, and march with cries of "Allahu Akbar" to liberate the blessed land and support its people?!

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بَنَصَرَ اللَّهُ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

"And that day the believers will rejoice, In the victory of Allah. He gives victory to whom He wills, and He is the Exalted in Might, the Merciful." [Surat Ar-Rum:4-5]
