The Children of the Blessed Land (Palestine) Continue Paying Dearly for the Regimes' Treason and Subjugation!

(Translated)

In a report published by Al-Jazeera English Channel, UN officials condemned the continued arbitrary detention of the children of the Holy Land (Palestine) by the Jewish entity, saying that "the deprivation of liberty of these children is institutionalised, systematic, and widespread". A series of UN reports presented at the so-called Human Rights Council showed how the living conditions of the people of the blessed land of Palestine across the West Bank and Gaza have dramatically worsened over the past year, and how children are bearing the brunt of the Jewish entity occupation, according to Kate Gilmore, the UN Deputy High Commissioner for Human Rights.

And a witness from their family testified, that the government of the Jewish entity continues to practice arbitrary detention of the children of the blessed land (Palestine), where hundreds of children have been administratively detained, i.e. without charge, in addition to the hundreds of others previously detained. It also subjects them to house arrest and practices against them the most heinous acts of organized state terrorism, in violation of all the so-called international conventions that are supposed to protect children and grant them protection under international law. Thus, it remains the only "state" in the world that arrests and prosecutes minors in military courts and treats them as adults and imposes inhumane procedures on them in prisons, where, they are subjected to numerous abuses and violations, and various forms of torture and violence, which causes the destruction and demoralization of these children.

Despite these reports, the international community and "human rights organizations" remain silent observers, to prove again and again that they are neither protecting the truth nor the oppressed and have nothing to do with human or children's rights as they claim. They do not go beyond writing and issuing statements, their silence is deafening when it comes to issues related to Islam and its provisions. However you see their trumpets rise and their hands work to attack these provisions, considering them a violation of the rights the child!! And there are numerous evidences for this... We also do not see the Dayton Authority move in the way of lifting these violations and detentions against these children, especially in the context of the security coordination that protects the Jewish entity...

O Our People in the Blessed Land (Palestine):

The events prove again and always that nothing will stop the occupier and lift injustice from you and your children, except a powerful state that governs by Islam and spreads justice; the Khilafah Rashidah (righteous Caliphate) state on the method of the Prophethood. So, work with those who work for it and discard the foolish (ruwaibidhat) regimes that are thrust over your chests. ﴿إِنَّ اللَّهَ لَا يَغَيِّرُ مَا بِقَوْمٍ حَتَّىٰ يُغَيِّرُوا مَا بِأَنفُسِهِمْ وَإِذَا أَرَادَ اللَّهُ بِقَوْمٍ سُوءًا فَلَا مَرَدَ لَهُ وَمَا لَهُم مِّن دُونِهِ مِن وَالٍ﴾ "Indeed, Allah will not change the condition of a people until they change what is in themselves. And when Allah intends for a people ill, there is no repelling it. And there is not for them besides Him any patron." [Ar-Ra'd: 11]
