

Press Release

For the Second Time within Few Days the Jewish Entity Bombs Egypt

What Will the Head of the Egyptian Regime Do?! Where is the Kinana Army?!

(Translated)

While the head of the regime is trying to calm the Egyptian army, warning against acting with anger, an Egyptian target is bombed for the second time in a matter of days, and there is no doubt that the perpetrators of this attack were the Jews, even if they denied it. The Egyptian regime reserved the right to respond at the appropriate time. The Egyptian regime reserved the right to respond at the appropriate time, as if the second time, and the blood of our people in the Blessed Land being spilled, represents for the regime a reason to mobilize the army and liberate Palestine!!

We know that the regime is lenient on the Jews and those behind them. It is all an agent regime from its head to all its tools. They drank treason to the point of drunkenness. They do not care about the blood of the people of Egypt that they previously shed themselves, nor about their rights that they are wasting. What concerns them is the survival of the regime and remaining at its head, even if they were a tool in the hands of America that moves them as it pleases!

This monstrous entity would not have dared to shed the blood of Muslims and occupy their land if we had a Khilafah (Caliphate) and a Khalifah (Caliph). Indeed, if we had a state, they would not have even dared to come to Palestine, they have done so after the fall of the Khilafah. We are not surprised by this monstrous entity. It would not have committed all this crime had it not been for the rulers of our country who are restraining the Ummah and its armies and preventing them from avenging the dead Muslims and their wounded from the people of Egypt and Palestine and moving to support them and liberate the entire land of Islam. What is most astonishing is the position of the armies, officers and soldiers. How will they meet Allah Almighty?! With what eyes will they look at the face of the Prophet (saw) as he asks them about the sanctities of Islam that are being violated, its sanctities and land, and about the blood of Muslims, when they are the ones who have the power and the ability to liberate all of Palestine in an hour of the day?! However, liberating Palestine first requires liberating Cairo from the regime's subordination, subservience, and betrayal.

O Soldiers of Kinana, O Holders of Ranks and Medals, O Armies Stationed in their Barracks: Your weapons have rusted before you even fire a single shot at the enemy of Allah and your enemy! Do you not feel shame and disgrace in front of what the West and the Jews are doing to you, your land, and the regime that rules you?! How, by Allah, do you accept this humiliation and disgrace for yourselves and for Egypt?! How do you feed your children the Haram (forbidden) of these rulers? Are you not afraid that Allah will afflict you with His torment, so that you will be on one side with them?! Do you

not know that Allah threatened Pharaoh, Haman, and their soldiers?! Do you accept for yourselves to be Pharaoh's soldiers and suffer the same punishment as him?! Are you not angry for Allah and for your Ummah's wounds, its blood that flows, its sanctities that are violated, and its sanctities that are desecrated? Or what Ummah are you from?! Answer me, by Allah, for there is no one who has manhood, chivalry, and Islam in his heart remains silent this way, while the Ummah is slaughtered from one vein to another. There is no Omar to respond, nor Khalid to roar, nor Salah to liberate, nor Mutasim to respond, nor Qatuz who said, "We are for it, and we are for Islam and its sanctities!"

O Soldiers of Kinana, O Best of the Soldiers: Goodness can only be with obedience to Allah Almighty and His Messenger and preserving His Deen and state, and it cannot be in obedience to rulers who look after the interests of the West, implement its regime, and participate with it in killing Muslims and plundering their wealth. There is no goodness in the army of Pharaoh, but goodness in the army of Muhammad, the soldiers of the Messenger of Allah (saw).

By Allah, we are writing to you with our hearts, blood, and tears, crying out to you by Allah and in Allah: Will Islam be lost while a vein still throbs in you?! Will the sanctities of the Ummah be violated while you have a soul to breathe on the face of the earth?! The entire Ummah is crying out to you for help. Help the furthest of us, purify the Masra of our Prophet, and support our oppressed people in the Blessed Land. By Allah, there is no good in you if you do not do this, and by Allah, Allah will replace you if you do not do so, so choose for yourselves which side you will fall in line with. On the side of the West and its ruling agents, or on the side of the Ummah, so you can achieve its ambitions and triumph for it and its issues, and then you will truly be the best soldiers?

O Loyal People in the Kinana Army: The best response to the bombing and crimes of the Jews is to liberate Cairo from this regime that protects and guards the usurping entity, and to establish the Islamic state, the Khilafah Rashidah (Rightly-Guided Caliphate) state on the Method of the Prophethood, the state that declares a general call, unites the Ummah, and mobilizes armies in support of one Muslim woman, so what about all the women of the blessed land who are crying out for help day and night, crying out for you for victory and revenge, so where are you and who is for Islam except you?! Announce it to Allah sincerely, so that He may see from you what He likes and is pleased with. By lining up with your Ummah and establishing its state that applies Islam and restores everything to it; Land, dignity and pride, establish it, O soldiers of the Kinana. Perhaps Allah will grant victory with you and to you, so that you will be among the winners.

﴿وَالَّذِينَ آمَنُوا وَهَاجَرُوا وَجَاهَدُوا فِي سَبِيلِ اللَّهِ وَالَّذِينَ آوَوْا وَنَصَرُوا أُولَٰئِكَ هُمُ الْمُؤْمِنُونَ حَقًّا لَهُمْ مَغْفِرَةٌ وَرِزْقٌ كَرِيمٌ﴾

“Those who believed, migrated, and struggled in the cause of Allah, and those who gave ‘them’ shelter and help, they are the true believers. They will have forgiveness and an honourable provision.” [Al-Anfal 8:74]
