Ash-Sham Revolution: Exposing Traitors and Unveiling Collaborators

(Translated)

We in Egypt, along with other observers, have followed the news of the fall of Ash-Sham tyrant and the end of his family's rule after years of bloody revolution and decades of oppression, humiliation, and suffering inflicted upon the people of Ash-Sham.

Now, we send a call to our revolutionary brothers in the land of Ash-Sham a sincere piece of advice from the land of Kinana: Learn from what happened in Egypt and its revolution. See how America managed to regain control and re-establish a regime of servitude to its interests, one that is even harsher and more oppressive for the people of Egypt. Take heed from our experience and do not trust the deceit of America. Do not rely on it, accept its political solutions, participate in its proposed elections, or agree to a transfer of power on its terms. Do not listen to the colonial Western institutions or their international resolutions, as they are only designed to steal your revolution, crush your ambitions, and waste your sacrifices.

Know that your true enemy is America and those allied with it, who support its plans and projects. All neighboring rulers are mere servants executing its schemes against you and your revolution. There is no difference between Erdoğan, Bashar, or Sisi, all are agents of the West, deceiving you in various guises.

Understand that your enemy only resorts to negotiation or sitting at the table with you when it is cornered and finds no other way to regain dominance. Do not listen to the calls of the submissive who have sold their deen for a fleeting gain. Look at our situation in Egypt and learn from when some among us sided with the oppressors and trusted America's plots and its agents, they were slaughtered like sheep. May Allah protect you from such a fate!

Reject all this as you would spit out a date stone. Complete your revolution and accept nothing less than the total overthrow of the regime, uprooting it entirely. Replace it with what pleases your Lord, the one you declared you would bow to alone. Follow the example of your Prophet (swt), whom you proclaimed as your eternal leader. Obey Allah, to whom you cried out, "O Allah, we have no one but You!"

Crown your efforts with the establishment of the Islamic State that will truly protect you and uphold Allah's commands. Know that without it, you will achieve no lasting good. The regime will return in a new form, with new faces, to enslave you and steal your livelihoods. Prove that your revolution is for Allah, as you chanted, "It is for Allah, it is for Allah" Declare your disavowal of America, its agents, and all who align with it. Establish for Allah a state that pleases Him, a Khilafah Rashidah (rightly guided Caliphate) on the method of Prophethood.

﴿وَلَا تَرْكَبُوا إِلَى الَّذِينَ ظَلَمُوا فَنَمَسْكُمُ النَّارُ وَمَا لَكُم مِّن دُونِ اللَّهِ مِنْ أَوْلِيَاءَ ثُمَّ لَا تُنصَرُونَ﴾

"And do not incline toward those who do wrong, lest you be touched by the Fire, and you would not have other than Allah any protectors; then you would not be helped." [Surat Hud:113]
