(Translated)

The Egyptian Interior Ministry issued a statement on Saturday (October 21st, 2017) about the bloody violence that erupted in Al-Wahat (oases) desert region on Friday, saying that it resulted in the death of 16 security forces, the wounding of others and the missing of one officer. In addition, 15 terrorists were killed and wounded.

O People of Al-Kinana! This is the reality of the incapable Egyptian regime, whose failure has been revealed, its backwardness has been exposed, and the security that it has been praising is no longer existent even to its members, guards and the protectors of its security. So, after its utter failure on the economic level, and what you suffer from as a result of your rulers' subordination to the decisions and recommendations of the World Bank, and even the security, that your rulers are asking you to be patience and bear crises for the sake of maintaining it, even though it does not actually exists for you the people of Kinana, however, they have now proved its absence for themselves, and proved their inability to protect themselves from the obsession of terrorism which they themselves have manufactured and nurtured...

O People of Al-Kinana! Your rulers are not fighting an alleged terrorism, but they are fighting your Deen that your enemy fears. The real purpose for their war is to keep you away from your Deen and its power that enables you to uproot the West and its influence, and liberate you from its subordination and from subjugation to its agents. It is a war of existence that will end only by subjecting you to its influence for long decades to comes, or your victory a true triumph, crowned by the return of the state, that applies on you the law of your Lord and restore your power, the state of the Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood, which Hizb ut Tahrir calls for it among you and carries to you its project.

O officers and soldiers of the sons of Egypt, Al-Kinana; police and army! You are part of the people of Al-Kinana, it afflicts you what afflicts them, your blood is one blood and your agony is one, for they are your family, your brothers and your clan. And this regime that you protect is not of your kind, and you are only a tool in its hand, it uses it in killing your family and brothers, and suppressing all those who try to change among you. Your blood does not mean to it except by as much as you can to protect it, thus you are the murderer and the dead. Your blood and the blood of your brothers who you fight and kill, is one; shed for the benefit of your enemy and the agent regime that governs you on his behalf, and it is ready to sacrifice you and your blood to trade with in the war on your Deen to prevent it from running your life again. So, retract your allegiance to this regime, and cut off the ropes that are between you and it, and tie them to those who want your goodness and the goodness of your Ummah; work hard and sincerely to rid your country of the domination of its enemy. Put your hands in the hands of your brothers in Hizb ut Tahrir and carry with them your burden and support them to establish the state of your glory, which restores your glory and brings you back to be the best of the earth's armies. By Allah, take care of your Deen and the law of your Lord to whom you turn in your prayers, for you will be questioned before Allah about them and about your blood and all blood shed from the people of your Ummah. Perhaps Allah will write the good for you, so that victory and empowerment will come through you and the State that protects you and secures you truly and reserves for the people their honors and their properties will return. We ask Allah to make it soon and to make us be from its witnesses and soldiers.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered” [Al-Anfal: 24].
